THE TEEN-AGER

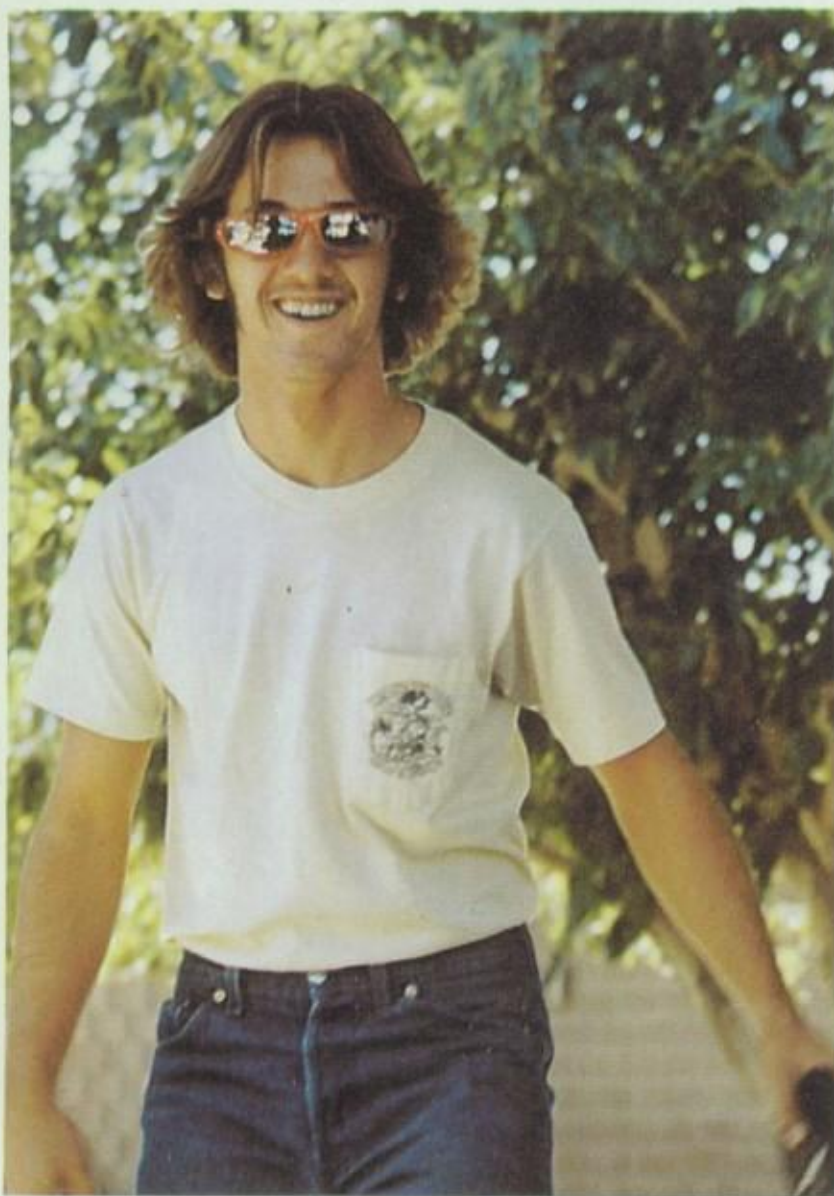

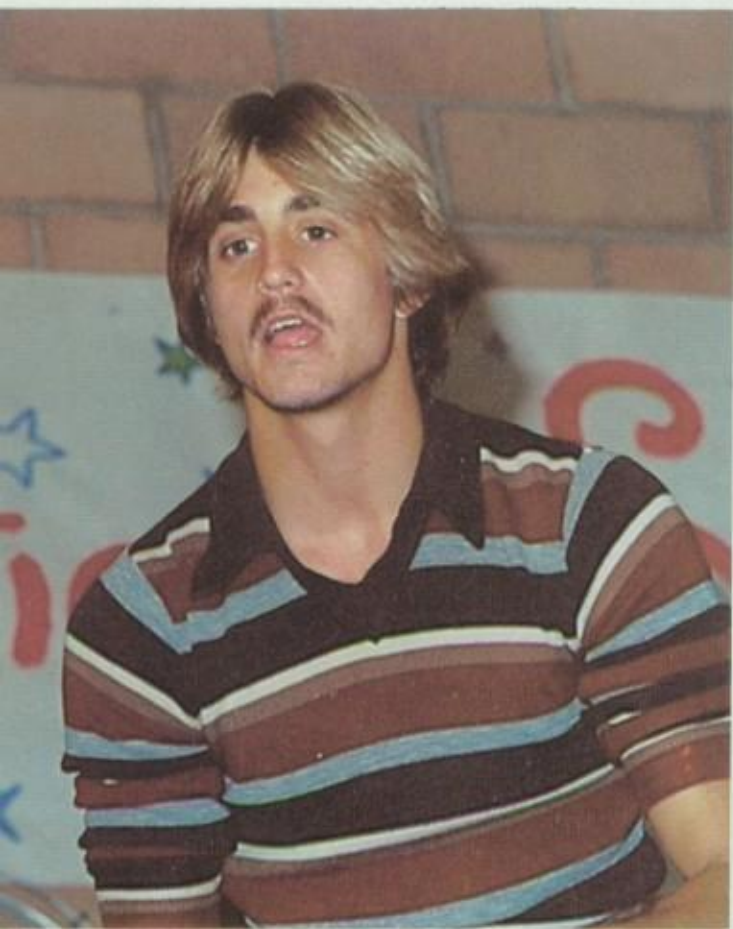

*I am a teen-ager;
I am confused, bewildered,
and frustrated with life.
I am part of many things,
a whole of nothing.
I am free . . .
On a dance floor;
in a convertible;
running with the wind at my back.
I am a slave . . .
In a classroom; in parental admonition;
in imposed silence.*

*I am surrounded by love,
but isolated from comprehension.
I hunger for learning;
but when the food is there
I push it away.
I thirst for knowledge;
but I am overwhelmed by all I do not know
and can never know.*

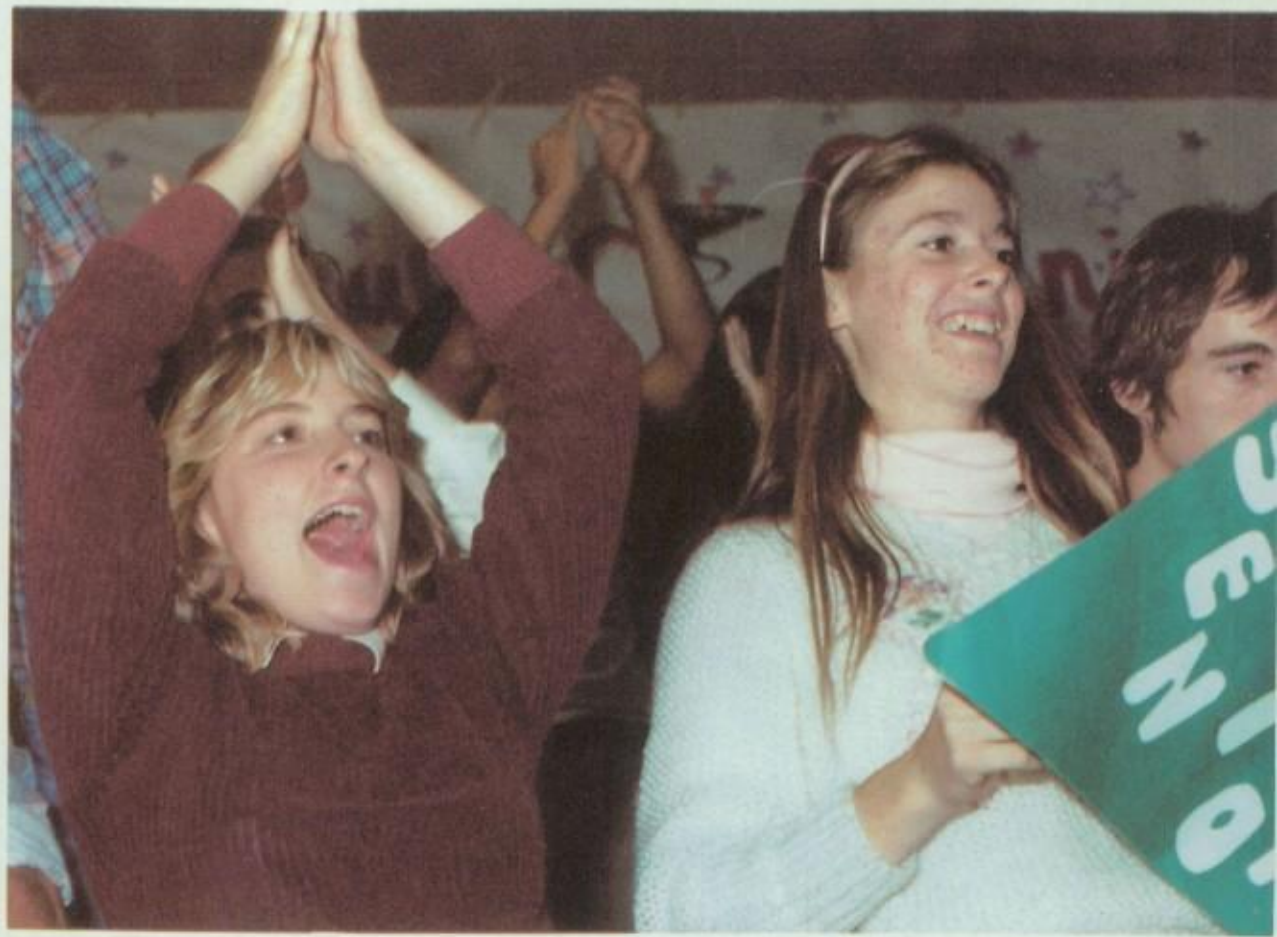

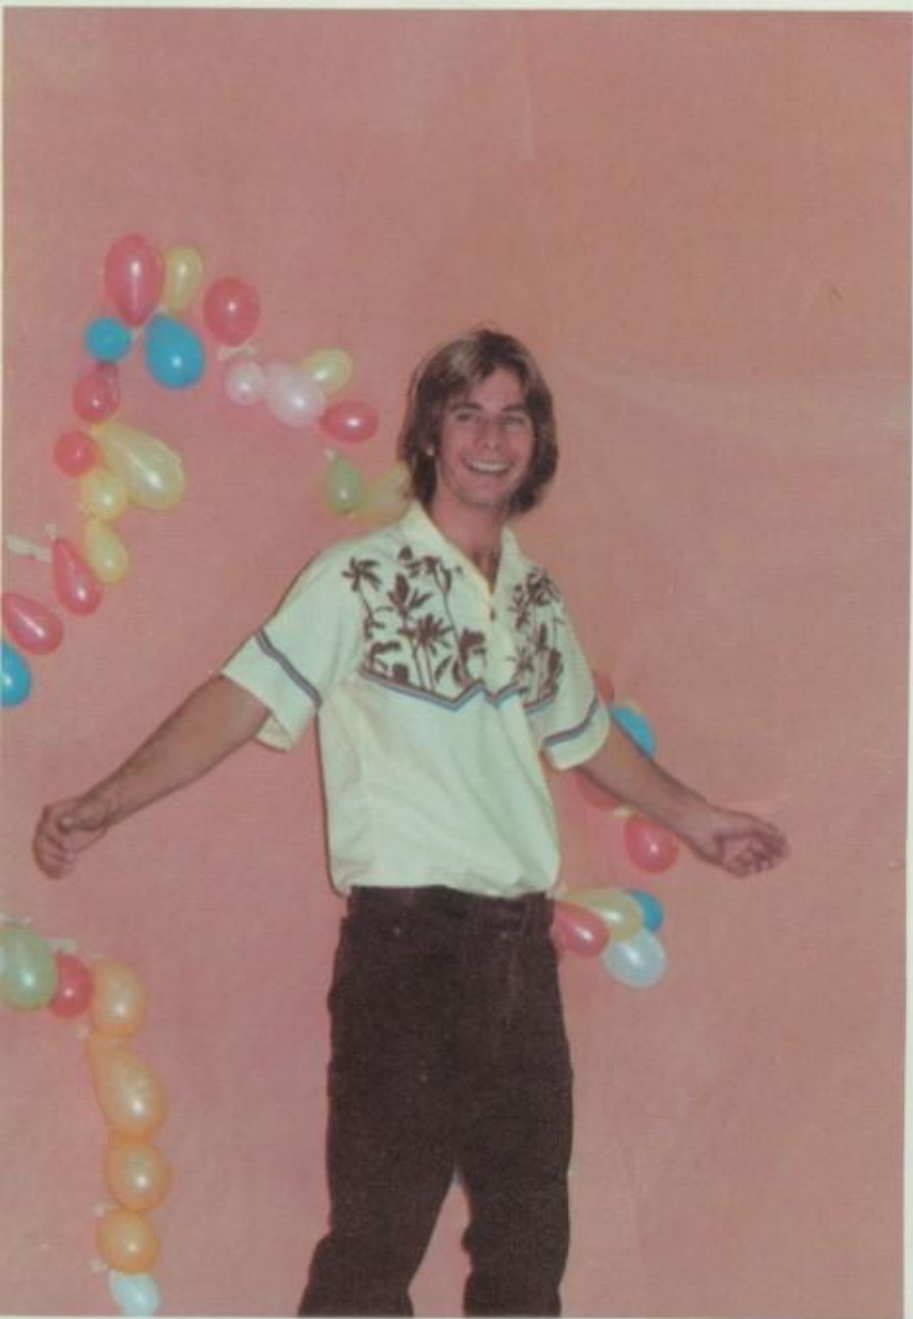

*I can dream better than I can
 analyze; my ideals surpass my insight.
 My ambitions flame mightily,
 each one brighter than the last.
 But one by one I watch them die,
 consumed in conformity.
 I look at most people, and I fear
 to grow up;
 I look at a few people, and yearn
 to capture one infectious spark of
 their wisdom.
 I feel life as a keen blade at
 my heart;
 Love does not caress; it stabs me;
 Emotions is my god, my persecution
 and joy;*

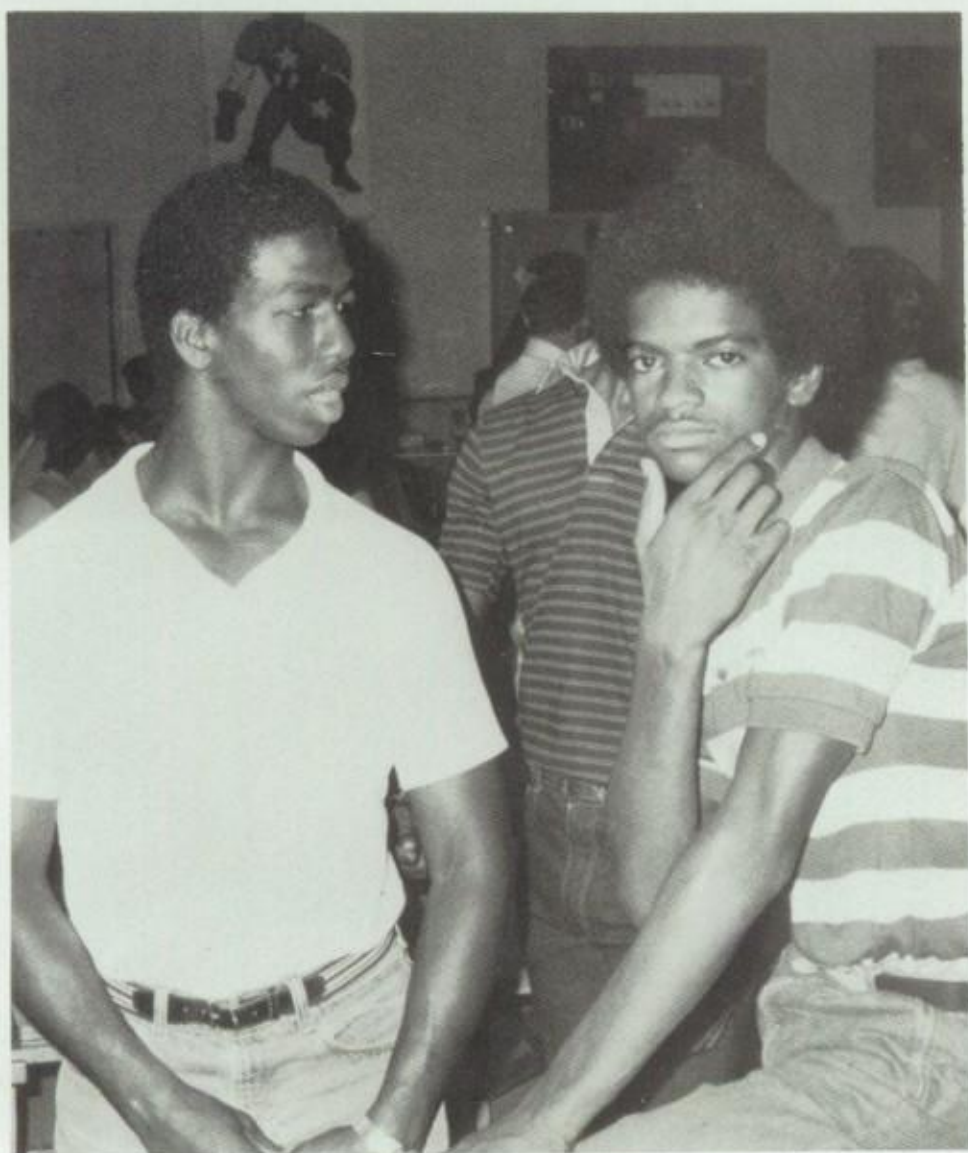

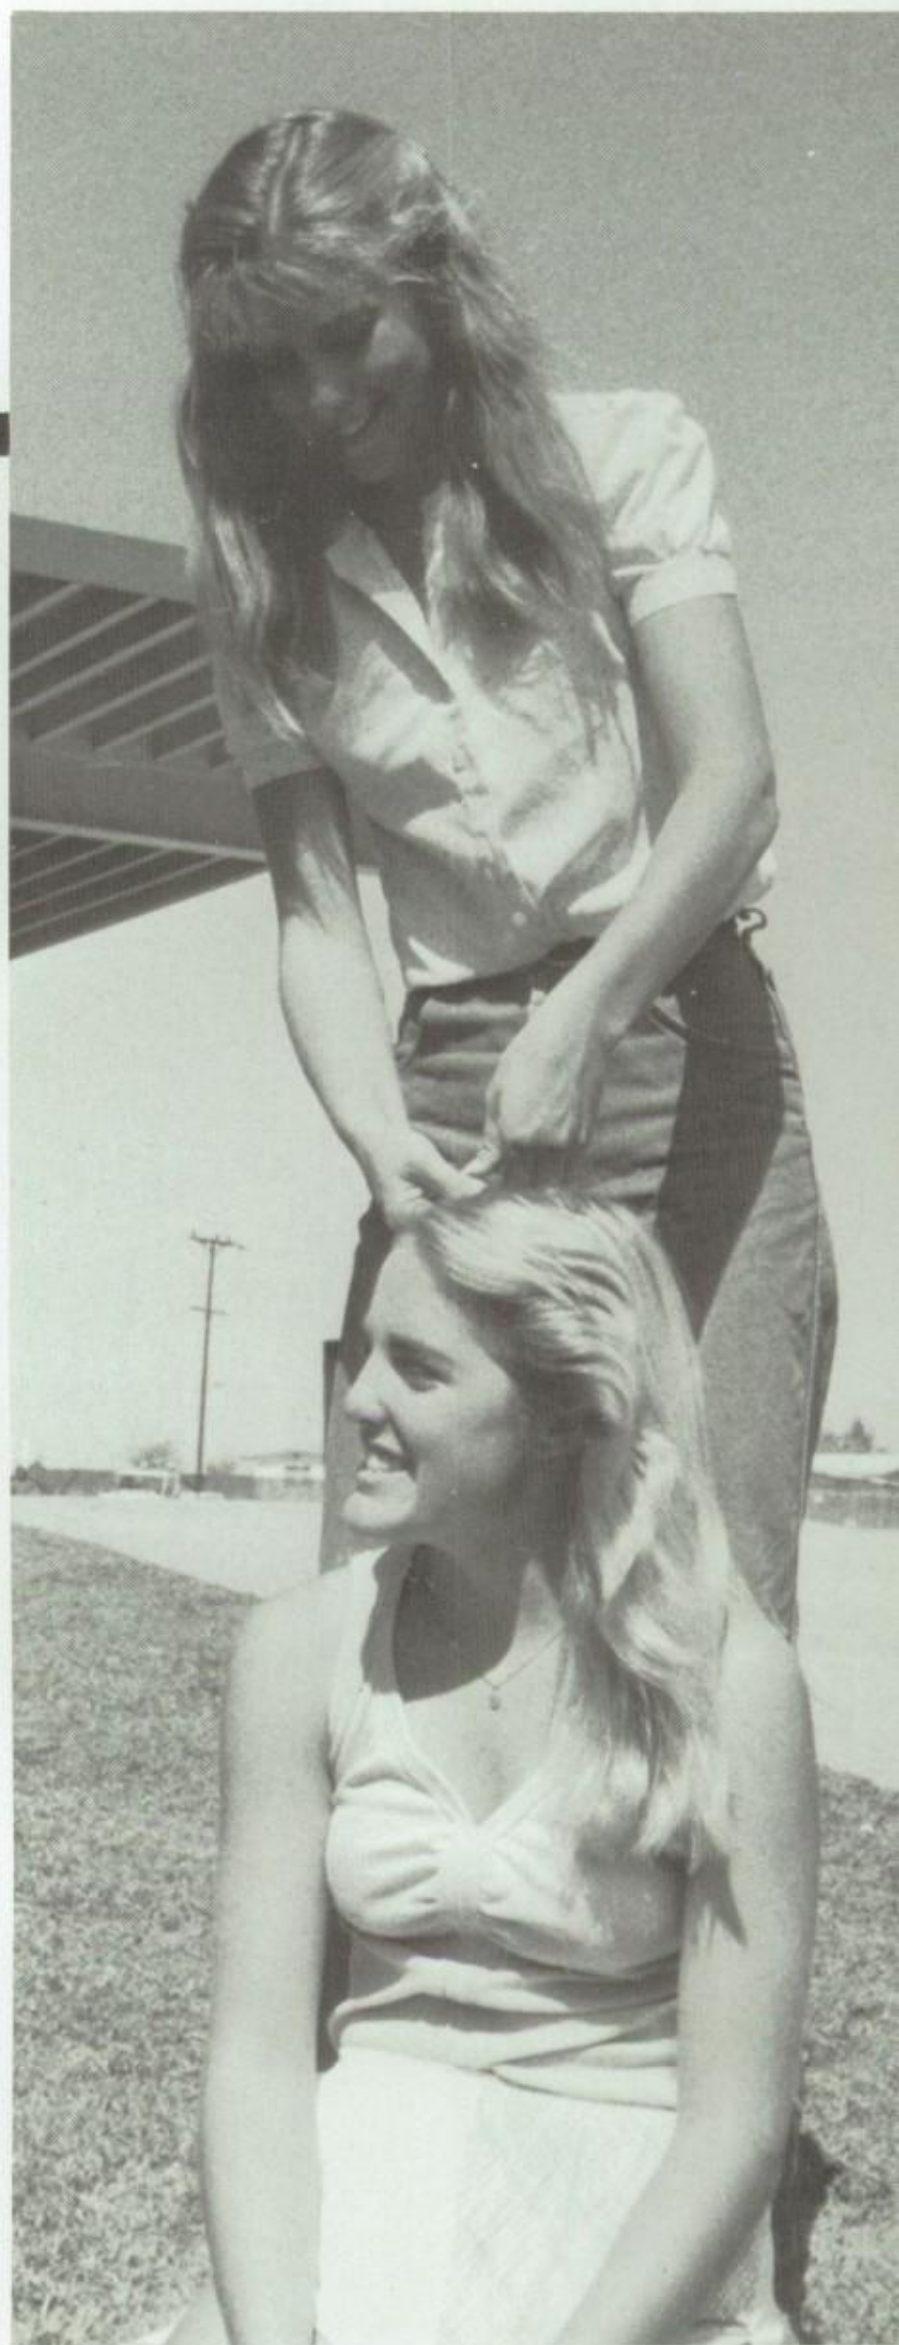

*The cold realm of reason does not
 invite me.
 More than I possess, I am possessed.
 I am alive . . .
 Most alive when I can laugh until
 the tears come, or cry until they
 come no more.
 In my breast throbs the passion
 of a mad beast,
 The compassion that melts me in a
 song's unrestrained feeling . . .
 They are so nearly as one.*

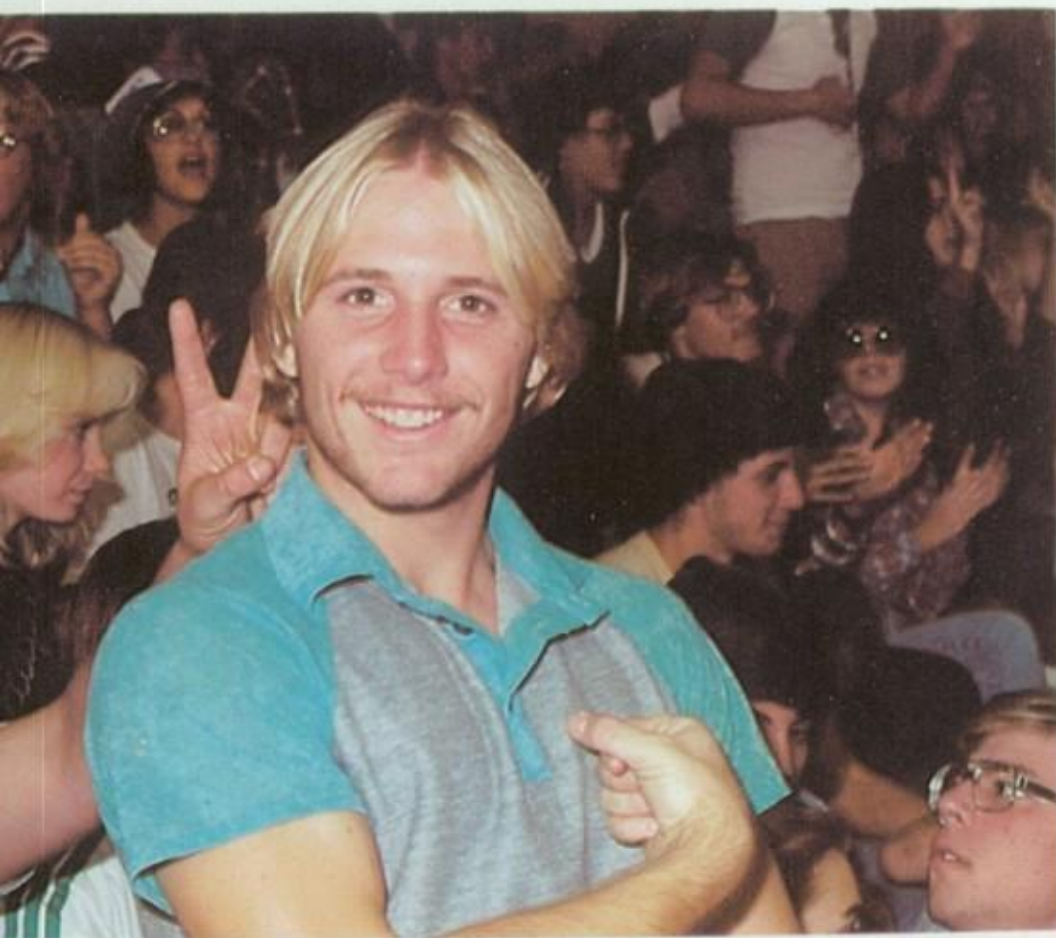

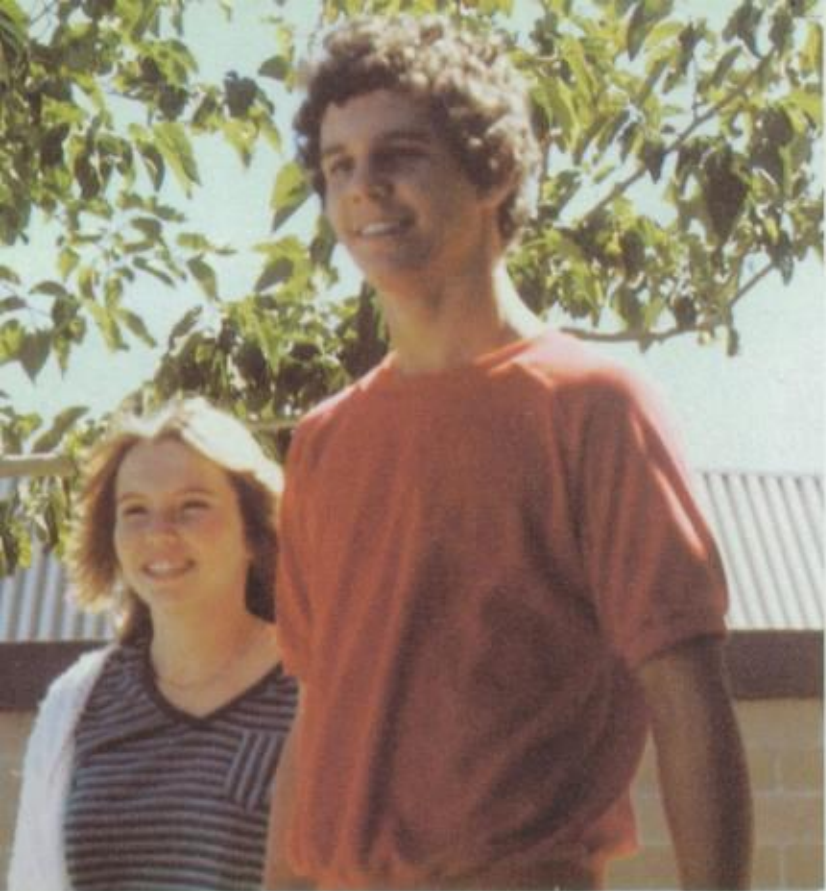

*I am pure; but pure what?
 I am simple, but simple what?
 I can grieve, but I cannot mourn;
 death is incomprehensible.
 I am impatient because life is static
 and stubborn; I exult in change.
 I am so rebellious because I am so confined,
 ever in love.
 I am cocky because inside I am humble,
 because I know I am nothing.
 I am candidness;
 I am joy, sorrow, pleasure, agony,
 in a glance.*

*Experience calls me to a realm of limitation;
 Ideals hold me back;
 The world I know yet has no bounds,
 But for my dreams which leap beyond
 the horizon and sky.
 I cannot grasp, only grope at life's elusive threads.
 I am acting one designated role;
 The depths of my soul
 and I've a thousand.
 I am made of different substance
 every day.
 I am unpredictable,
 even unto myself,
 I am one moment's success,
 another's tragedy.
 I am one day's hope,
 another's futility.*

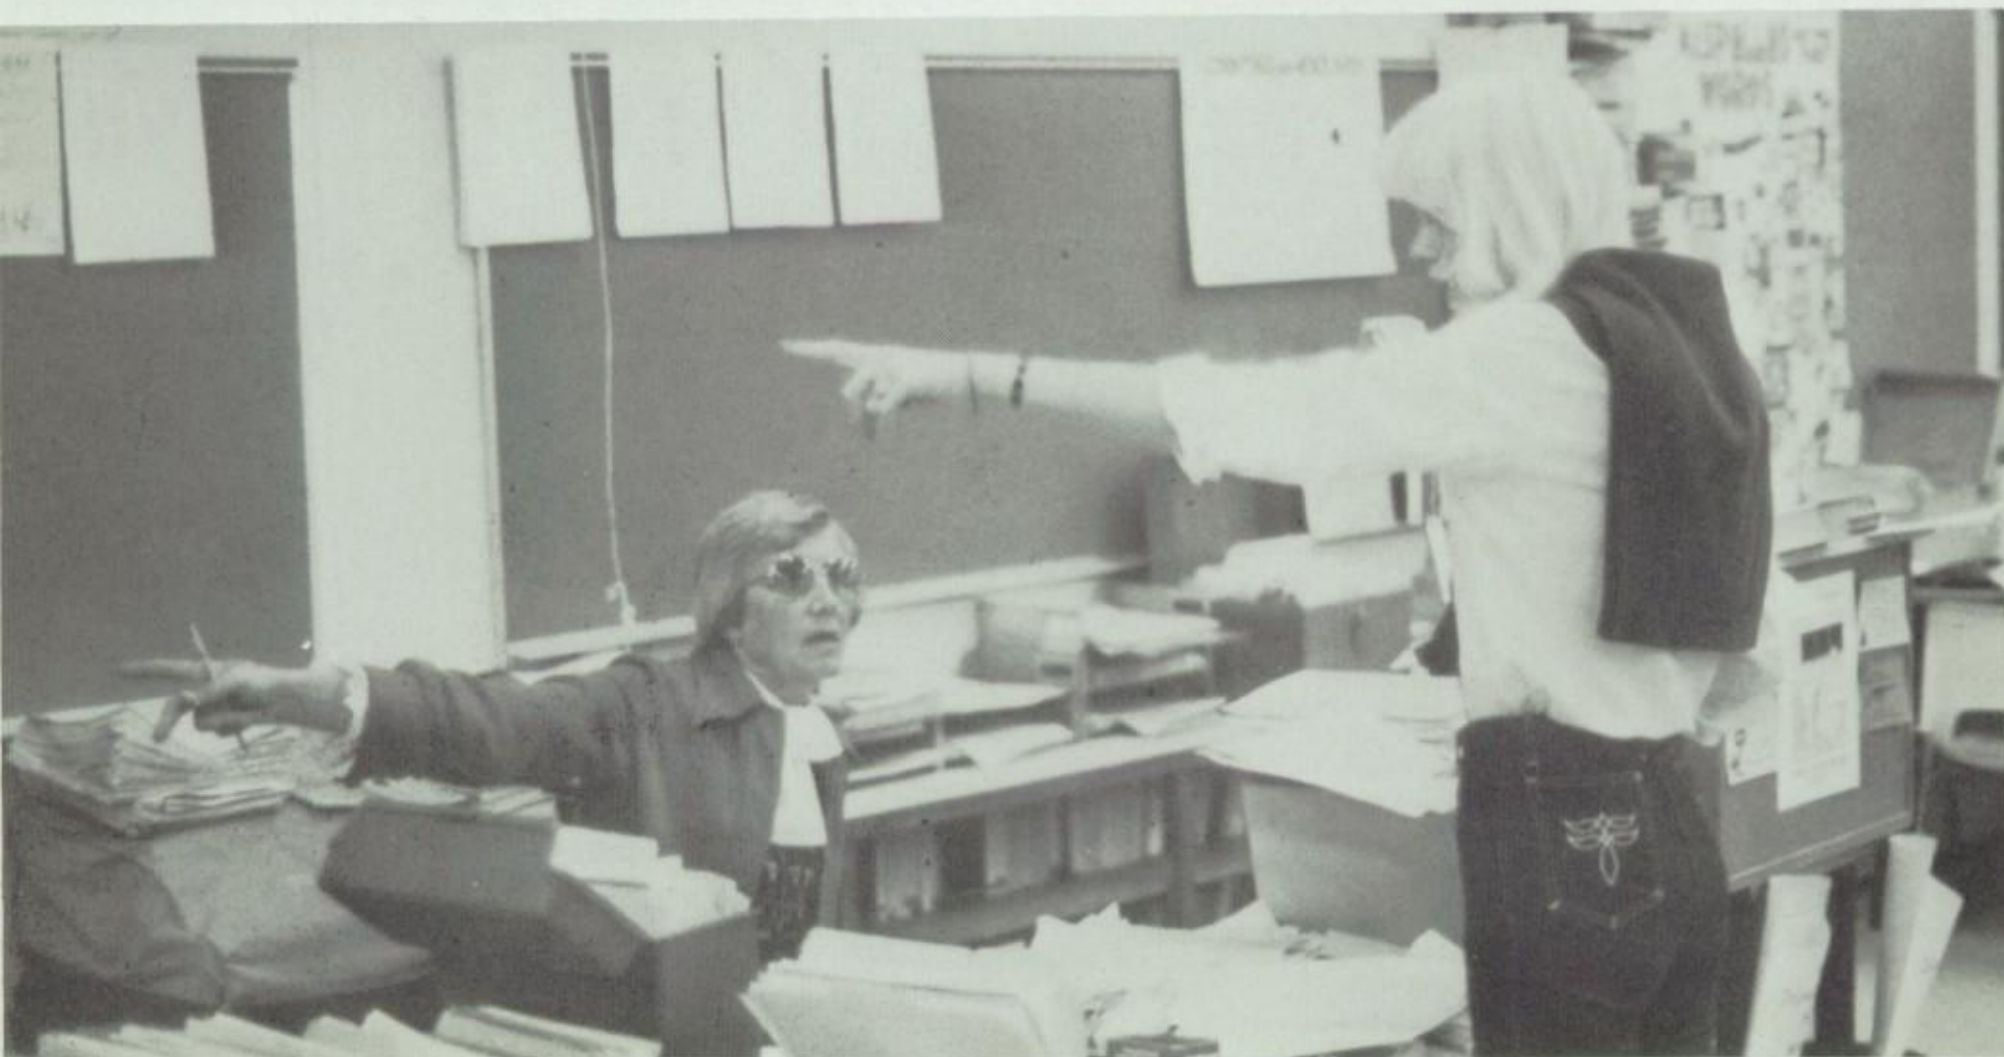

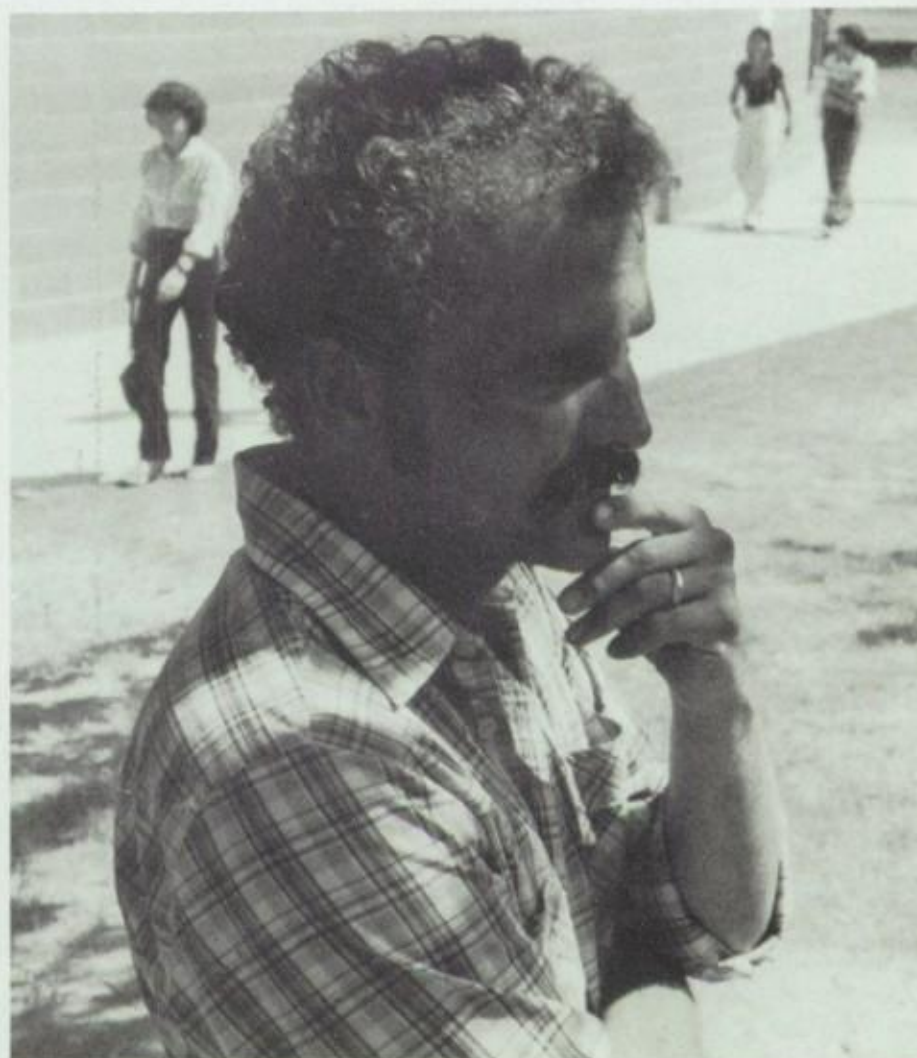

*I understand only less
than I am understood.
And the greatest object
of misunderstanding
is myself.*

THE HECKLERS

"To the class of 1982 is extended the best wishes for a successful future. Hopefully, your goals are high. Hopefully, also, your motivation toward them is equally high. You are leaving behind you many good things, but use them as stepping stones to the next phase of your life."

John Cole
Principal

Mr. John Cole
Principal

"What is there left to say? The race has been run, and 'Finishers' will soon receive their awards — Twentynine Palms High School diplomas. As some of you know, I've tried to help where I could; I hope it did some good. Now it's yours — all yours. But remember this: "You want what you're doing now — if you didn't, you'd change it." Goodbye, good luck and God bless you.

DEDICATED HECKLERS

According to the 1976 edition of the American Heritage Dictionary of the English Language, a heckler is one who: 'harasses persistently, as one with questions or objections.' This year's Oasis staff has chosen to use the term "hecklers" to identify that group of dedicated professionals we usually call simply "teachers."

The term fits!

How hard these hecklers have hammered at us with questions "Where's your book? What were the conditions that led to our War of Independence? Why are you late? Who can explain problem number one — on the chalkboard? Donde esta su lapiz? And what do you plan to do after you graduate?"

How persistently the questions came; some reaching minds already overflowing with those special free thoughts of youth which block learning channels so completely.

Then there were the objections: to our being late, our eating in class, our occasional rudeness, our laziness, our not being responsible, and to our many other faults, so dearly cherished; especially our teenage resistance to THINKING.

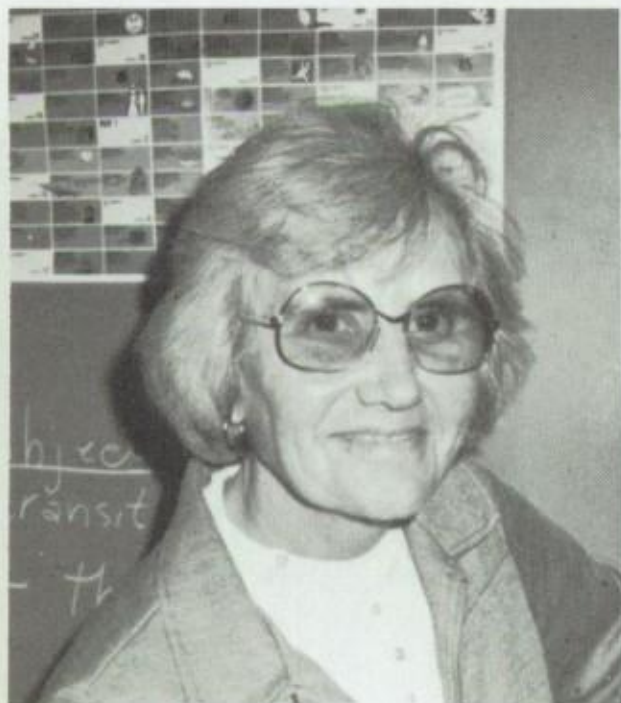

Today, as we look back at these doggedly persistent hecklers, we marvel at their patience and determination, overcoming all obstacles to help us grow and learn through many difficult days of our lives. One day we'll return and tell them about those special moments they created that had such impact on our lives. Tell them thank you, hecklers, thank you so much!

SENIORS

ENDING AND BEGINNING

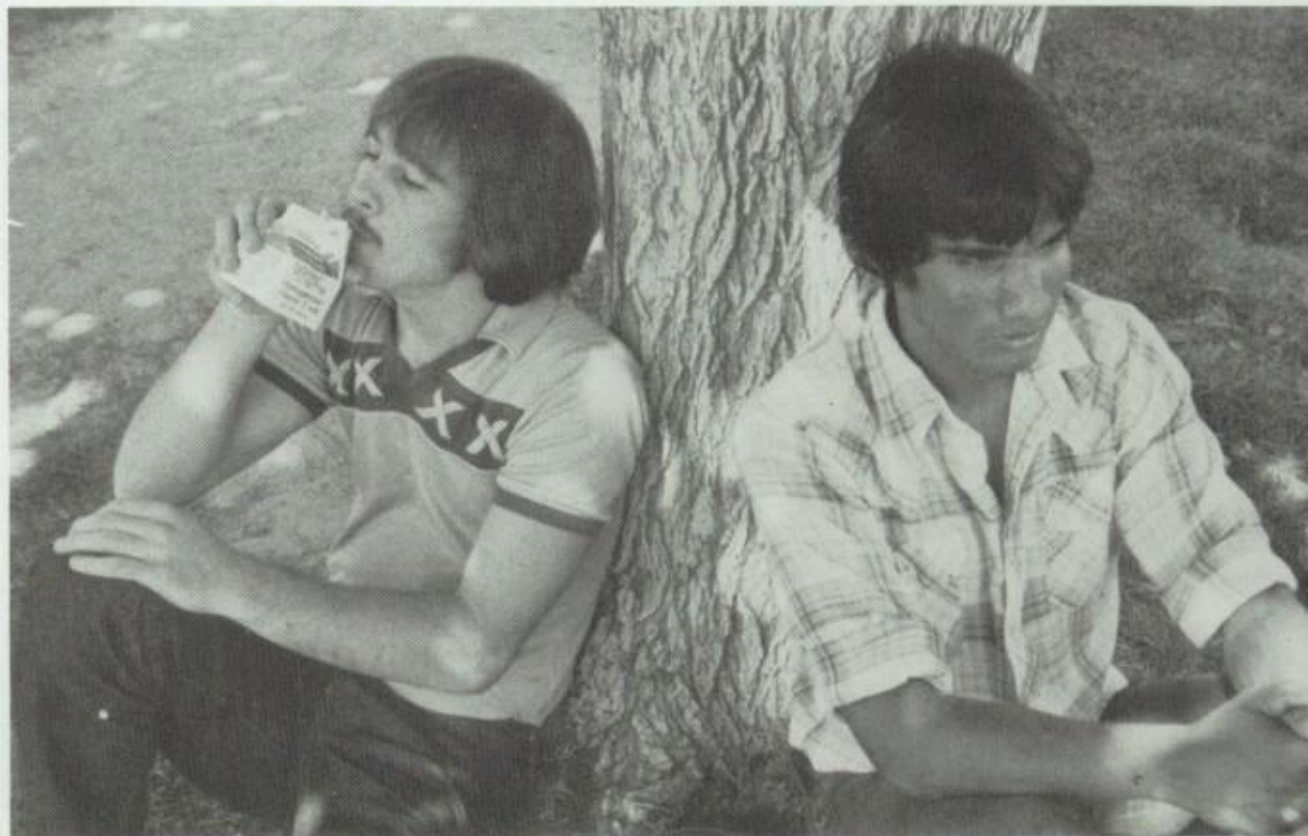

SENIOR [senye(r)] N [ME, fr L, fr senior older, elder] (1) a person accorded distinction or difference in respect for his age, (2) of or relating to Seniors in an educational institution [the ~class] [the ~prom]

The dictionary definition can't possibly illustrate what a Senior at TPHS really is. From the first day of school, there is a certain feeling amongst the Seniors of, "Well, gang! This is it! We made it!!" Throughout the year the Seniors make themselves known around campus in many ways including a dance early in the year, a Homecoming Mum sale, a baby picture contest, a yummy candybar sale and the *fantastic* Senior week! Working together the Seniors built a magnificent Homecoming float, upheld the Senior Walk tradition, plan for the Senior Excursion, Grad Nite Baccalaureate and Graduation as the grand fanale.

There is a certain kind of *Senior* pride that can't be written in any kind of definition; it has to be experienced. The Seniors of 1982 had that pride in their class, not only their class but in the entire, Twentynine Palms High School, the people, the teachers, the good friends, WE ARE PROUD AND TRUE — THE SENIOR CLASS OF 1982.

1. Carol Schultz, baby contest winner for most hair. 2. Senior Class officers, from top to bottom: Noah Schuyler, Treasurer, Greg Tucker, Secretary, Hannah Bouldin, President, Monique Marcoux, Vice-President. 3. As Ray Brewer obviously enjoys his milk, Kevin Kittrell wonders where his carton disappeared to. 4. Seniors show many levels of enthusiasm at a pep assembly. 5. Shawn Fielding in repose. 6. Noah Schuyler presents his interpretation of "The Thinker." 7. Andy Colville gets revenge on junior Brian Aderhold for cutting across the Senior Walk. 8. Seniors enjoy a typical lunch on the TPHS campus. 9. Little, bitty Steve Tittnich cuddles his little, bitty, yellow ducky while he waits for the big, bad counselor.

TRIAL BY HARDSHIP

HOLDERS OF THE FUTURE

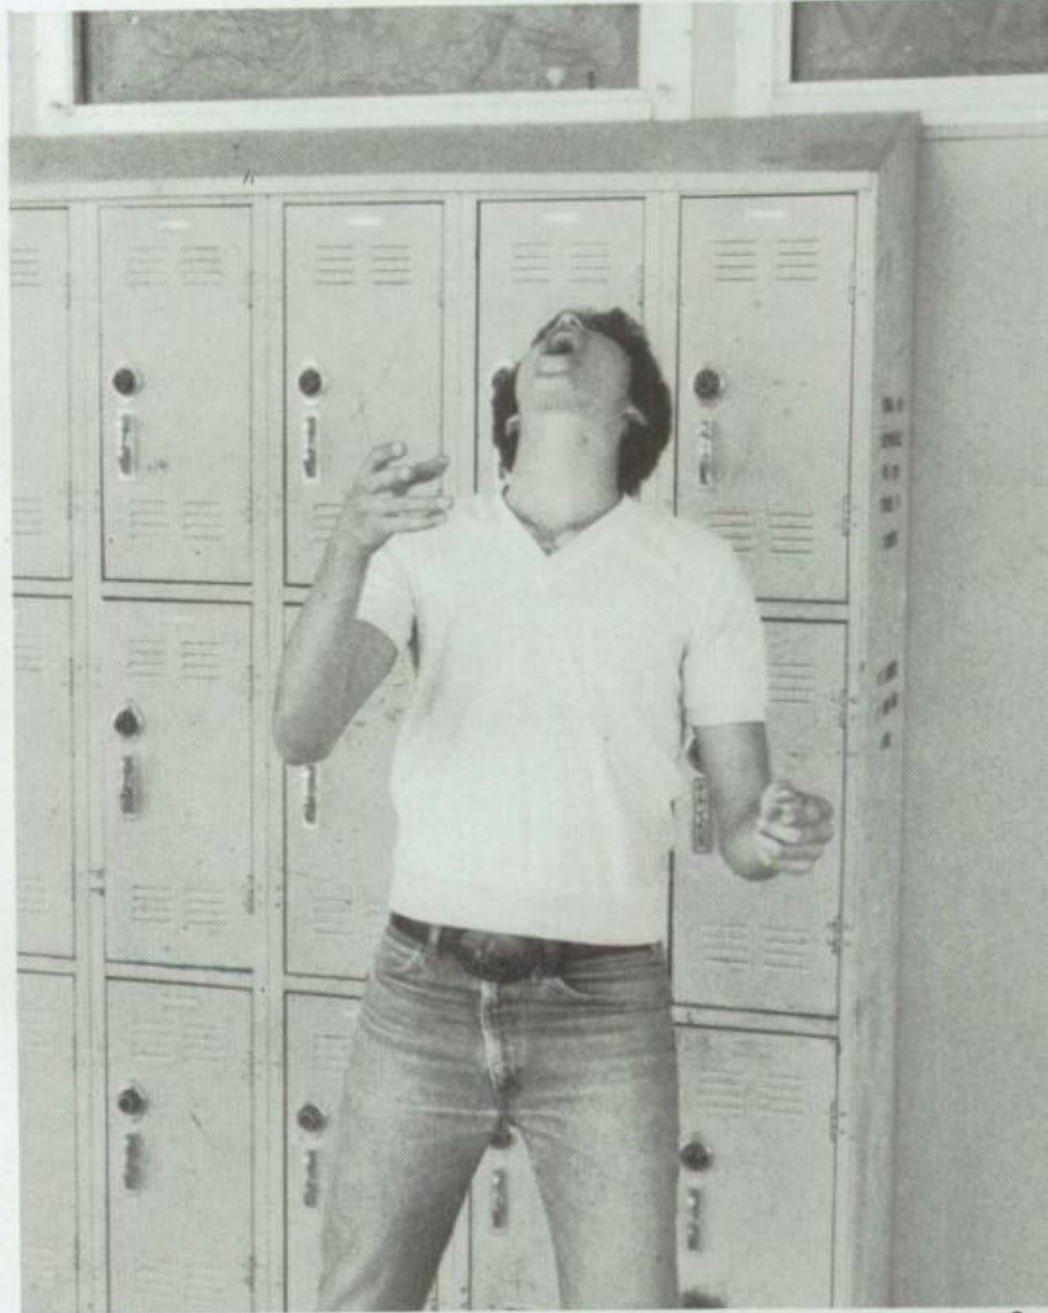

2

1

Holding the future of TPHS, in their enthusiasm and pride, this year's Junior class outdid themselves through their abundance of pep and spirit. Juniors demonstrated these qualities by rising to the top and securing first place for spirit week, and 3 of the pep assemblies, including the assembly for Homecoming.

Constantly on the move, the Junior class emerged from the confusion and misunderstanding of youth as the future's hope. Holding tightly to their dreams and goals, today's Juniors are ready for their step into life as tomorrow's Seniors. Being the foundation of tomorrow may not be easy, but the Juniors are one class that not only can take it, they can make it!

A STEP BEYOND

Class of 84? I'm sure you have heard them. They're one of the most active classes on campus. That's right! They came in second for activities played during spirit week, the week preceeding the Y.V. game, and they won most spirited at the Yucca Valley Pep Assembly.

The Sophomores also sponsored the 1981-82 Homecoming and since Homecoming was a success, it proved once again that the Sophomore class is active in school activities.

Sophomores activeness can best be discribed by a quote from John Willis, the Sophomore class president, "Sophomores are number one."

IT'S JUST THE BEGINNING

The Freshmen Class, despite the usual nervous anticipation that accompanies starting something new, had no hesitations about digging right into the barrelful of school activities going on around the T.P.H.S. campus.

The Freshmen showed they had an abundance of spirit during the many pep assemblies, and they further brightened up the campus by participating in the activities preceding the football game between Twentynine Palms and Yucca Valley better known as the "Battle of the Bell."

When Homecoming came along, the Freshmen again let the other classes know that they were not going to let their class spirit be forgotten. The Freshmen participated in the Homecoming Week activities, which was competition between all four classes. They spirited their way to third place!

This year the Freshmen and Sophomore classes teamed up together to produce a winning float at the Homecoming football game. The competition with the Juniors and Seniors float was tough, but the Frosh/Soph float turned out to be the overall winner. The theme for the Frosh/Soph float was "A Time For All Seasons." The Class of '85 has gotten off to good start and is proving it is a winning class.

CALIFORNIA CADET CORPS

The Cadets of Twentynine Palms High are one of the school's most active groups. The Cadets practically run all their activities by themselves, but they get a very appreciated large amount of help and encouragement from their Commandant, Major David B. Werner.

Throughout the year the Cadets have attended such extra-curricular activities as the Annual Military Ball that the Cadets themselves organized and enjoyed, and many parades such as the Pioneer Days, Indio Christmas and Date Festival, and Grub Stakes Days Parades. The Cadet Rifle Drill Team, Color Guards, and Marching Units practiced hard for the parades and their hard work and precision provided the many trophies and ribbons they brought home with them this year.

The Cadets also attended the Annual Leadership School at El Centro Naval Base, which is a very important part of their training. There the Cadets sharpened their leadership skills, useful skills that they will be able to use for the rest of their lives.

One event the Cadets looked forward to this year was the Annual Brigade Drill Competition. There the 29th Cadet Group (Twentynine Palms High, Twentynine Palms Junior High, and Yucca Valley) competed with other Cadets in their Brigade, such as Cadets from Indio, Brawley, and Calexico. The annual competition sparks enthusiasm, competitiveness, and Espirit de Corps throughout the brigade.

Some Cadets will end their year by attending the California Cadet Corps Summer Camp in San Luis Obispo, which takes place a few weeks after school lets out.

The Cadet Corps motto is "Essayons" which means "Let Us Try." The Cadets really live up to their motto, and they go one step further by succeeding in most everything they try.

BAND BOARD

Keeping a band together is no easy job, as four students in the music department found out this year.

Diane Cates, David Wilcox, Shelley Anderson, and Mark Masker kept the T.P.H.S. Band going all year long, and they proved they were a great team.

Besides keeping the Band together, these four students were also members of the Band itself, so they really had to work to do the good job they did.

If these four students had not kept on their toes, the Band may have had a little trouble keeping organized, but because the Band's year went so smoothly, anyone could tell that they were on top of things the whole year through.

Band

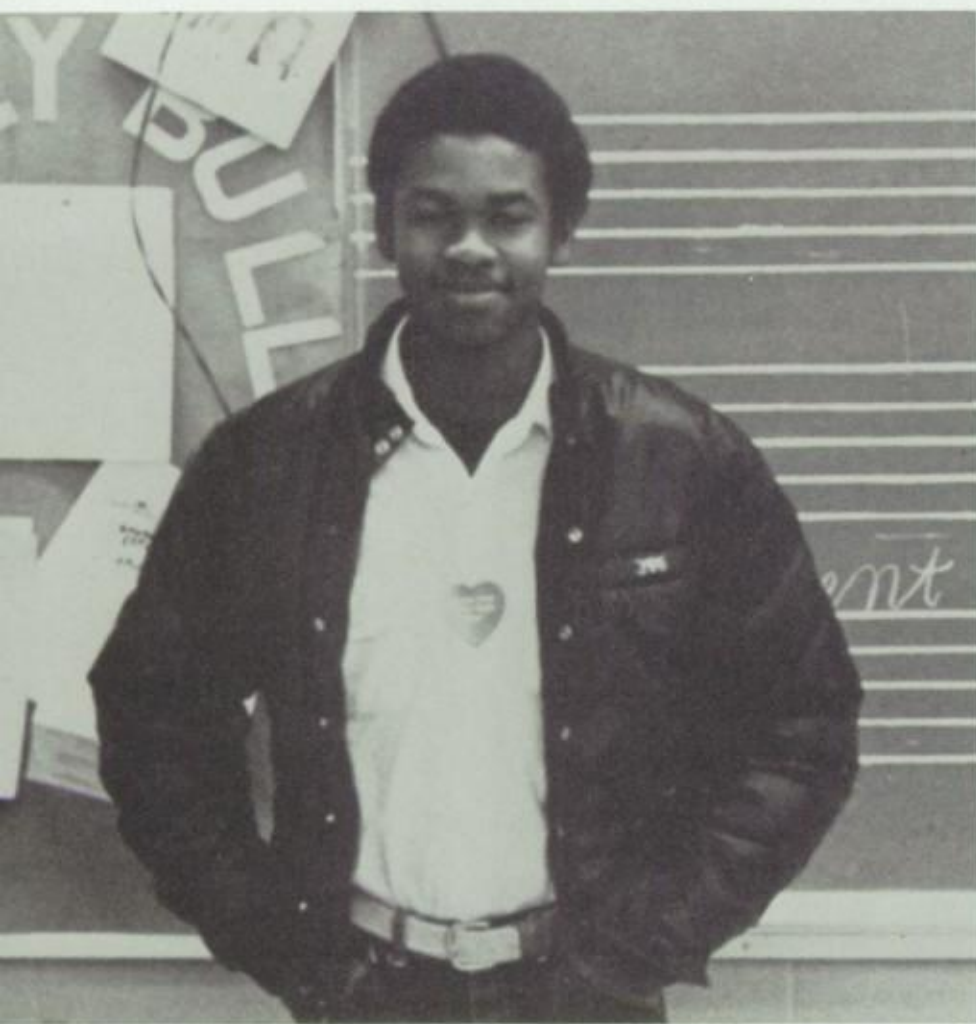

When someone mentions "the Pride of Twentynine Palms," automatically you know what this phrase means . . . the Twentynine Palms High School Band, conducted by Mr. Kercheval.

At every home football game, during half-time, you could see Mr. Kercheval conducting the band with all the pride and strong feeling of a great conductor. With every message from Mr. Kercheval's arms came the sound of a band that is alive with spirit.

When marching in a parade, you could see the Drum Major, Mark Masker proudly leading the band. The pride coming from the Band's instruments rang over the crowd, as if to say, "We are part of T.P.H.S. We are great, we know it."

STAGE BAND

Along with the Advanced Choir, the Stage Band was present at every concert T.P.H.S. put on.

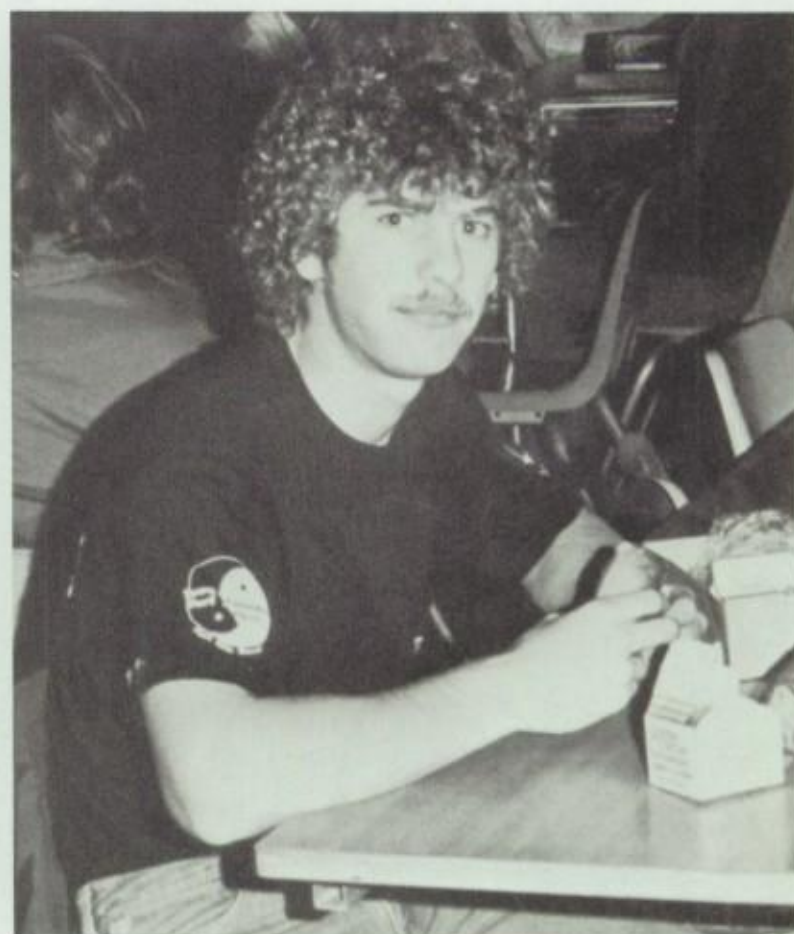

The Stage Band attended the T.P.H.S. Musical Concerts to bring out the music department's rhythm, and did just that.

They primarily accompanied the Advanced Choir in their performances, but they turned out to be a show in themselves.

During fourth period every day students could hear the excellent music of the Stage Band drifting across the campus, and upon hearing it, students would know that the Stage Band was hard at work, again.

PEP BAND

The Pep Band really lived up to its name this year. Lively tunes were always ringing through the air whenever the Pep Band, conducted by Patrick Kerchival, was around. During Pep Assemblies, no band could turn on an air of true happiness and a sense of loyalty to T.P.H.S. in the students during the Alma Mater except T.P.H.S.'s very own Pep Band. Everybody greatly appreciates the Pep Band because without their wonderful music, something would be missing from our pep assemblies and games.

Kappa Kappa Psi is the music club on campus. This year's Kappa Kappa Psi was busy bringing many concerts to T.P.H.S. The money raised from these concerts went towards the funds needed for the music department.

The students who participate in Kappa Kappa Psi are given the chance to show other people their musical talents; and it was very evident that this year's students displayed this ability. Job well done!

ADVANCED CHOIR

Advanced Choir, an organization of talented students, performed at every concert T.P.H.S. had during the year with accompanist, Shelley Anderson.

Advanced Choir didn't spend the entire year on Campus performing, though. The club also toured locally during the Christmas Season, and even went to the Marine Base Officers' Wives Club.

Everybody enjoys a concert put on by the Advanced Choir, and these students voices will joyfully ring on for a long, long time.

DRILL TEAM

The 1981-82 T.P.H.S. Drill Team saw many changes this past year. Nicki Cruse acted as Team Captain, Edirha Toms acted as Co-Captain, and Carol Fisher acted as Treasurer.

There weren't enough members for parade competition, but hopefully next year there will be enough Drill Team members to bring home any awards that are up for grabs!

California Scholarship Federation (C.S.F.). To the members of the club those three words mean "fun."

At the beginning of the year C.S.F. spent their time earning money by holding a Mistletoe Sale and a Christmas Sock Hop.

When these two events proved to be very profitable, the C.S.F. members decided to prove that they were "real" people by going on a trip to see live taping of NBC's "Real People." The members all agreed that it was a worthwhile trip to make.

C.S.F. is well known for its "Quiz Kids." This year's Quiz Bowl team had a great season and brought home ample victory to T.P.H.S.

C.S.F. went on to more money raising victories later on in the year by selling Emotion Ribbons. The Emotion Ribbons proved to be loved by everyone because they let feelings show when they otherwise might have not.

Every year there is one activity C.S.F. looks forward to and that is C.S.F. Night at Disneyland. This is a night when Disneyland is open only to C.S.F. club members from everywhere in California, and for the C.S.F. members of T.P.H.S. it was a night to remember.

As an end to a busy C.S.F. year, the club members went to a C.S.F. Spring Conference at the University of Riverside.

STUDENT COUNCIL

A very dedicated group of students, better known as the Student Council, was hard at work this year. The Council backed up the A.S.B. Council by discussing and approving A.S.B.'s proposals.

Student Council also played a large part in our 1981-82 Homecoming activities. Members of the Student Council helped with the two floats for Homecoming and were members of the Homecoming Committees.

The Student Council also helped out in the canned food drive and participated in the student exchange.

The biggest job for the Student Council members was bringing feedback from the student body to A.S.B. In this way A.S.B. was able to keep up with the student feelings on different issues.

SCIENCE CLUB

The 1981-82 Science Club, led by President Phil Sins, was very active throughout the year. After a couple of car washes and many bake sales, the club members decided they would spend their hard earned money by taking a trip to the Los Angeles Museum of Science and Industry.

The members who attended had a great time, and even though the Science Club has remained rather small over the past couple of years, the Science Club has proved that small groups can have as much fun as some of the larger clubs on campus.

ASSOCIATED STUDENT BODY COUNCIL

Even before the 1981-82 school year had started, the 1981-82 Associated Student Body Council (A.S.B.) was in action making plans for the school year.

This before-hand planning revealed many advantages, as the 1981-82 year moved smoothly under the supervision of the A.S.B. Council. Many new ideas were introduced and all proved to be worthwhile.

Some of the many ideas introduced were: "Be Nice To Me Day" in which one student was chosen each week and all other students had to be nice to the chosen one; the donation of two Christmas trees to two needy students, a canned food drive, weekly radio broadcasts, and a 10-hour Radio Day held on KDHL Radio.

T.P.H.S. was run by a very able-bodied A.S.B. Council, which explains the excellent year T.P.H.S. students had.

EL OASIS YEARBOOK STAFF

BOOM! With an explosion of quad pacs and a mighty HI HO CROPPER, the yearbook staff dug their spurs into the preface of completing the 1981-82 El Oasis.

In a cloud of dust and the sounds of GET RID OF THAT TRAPPED WHITE SPACE! the yearbook staff, led by Co-Editors Jim Willard and MaryAnn Flanary, turned out page upon page of fantastic layouts and copy, destined to become what you now hold in your hands, the 1981-82 El Oasis.

Neither rain, nor sleet, nor threats from the editors could keep the band of yearbook desperados away from their appointed deadlines, except an occasional mental breakdown.

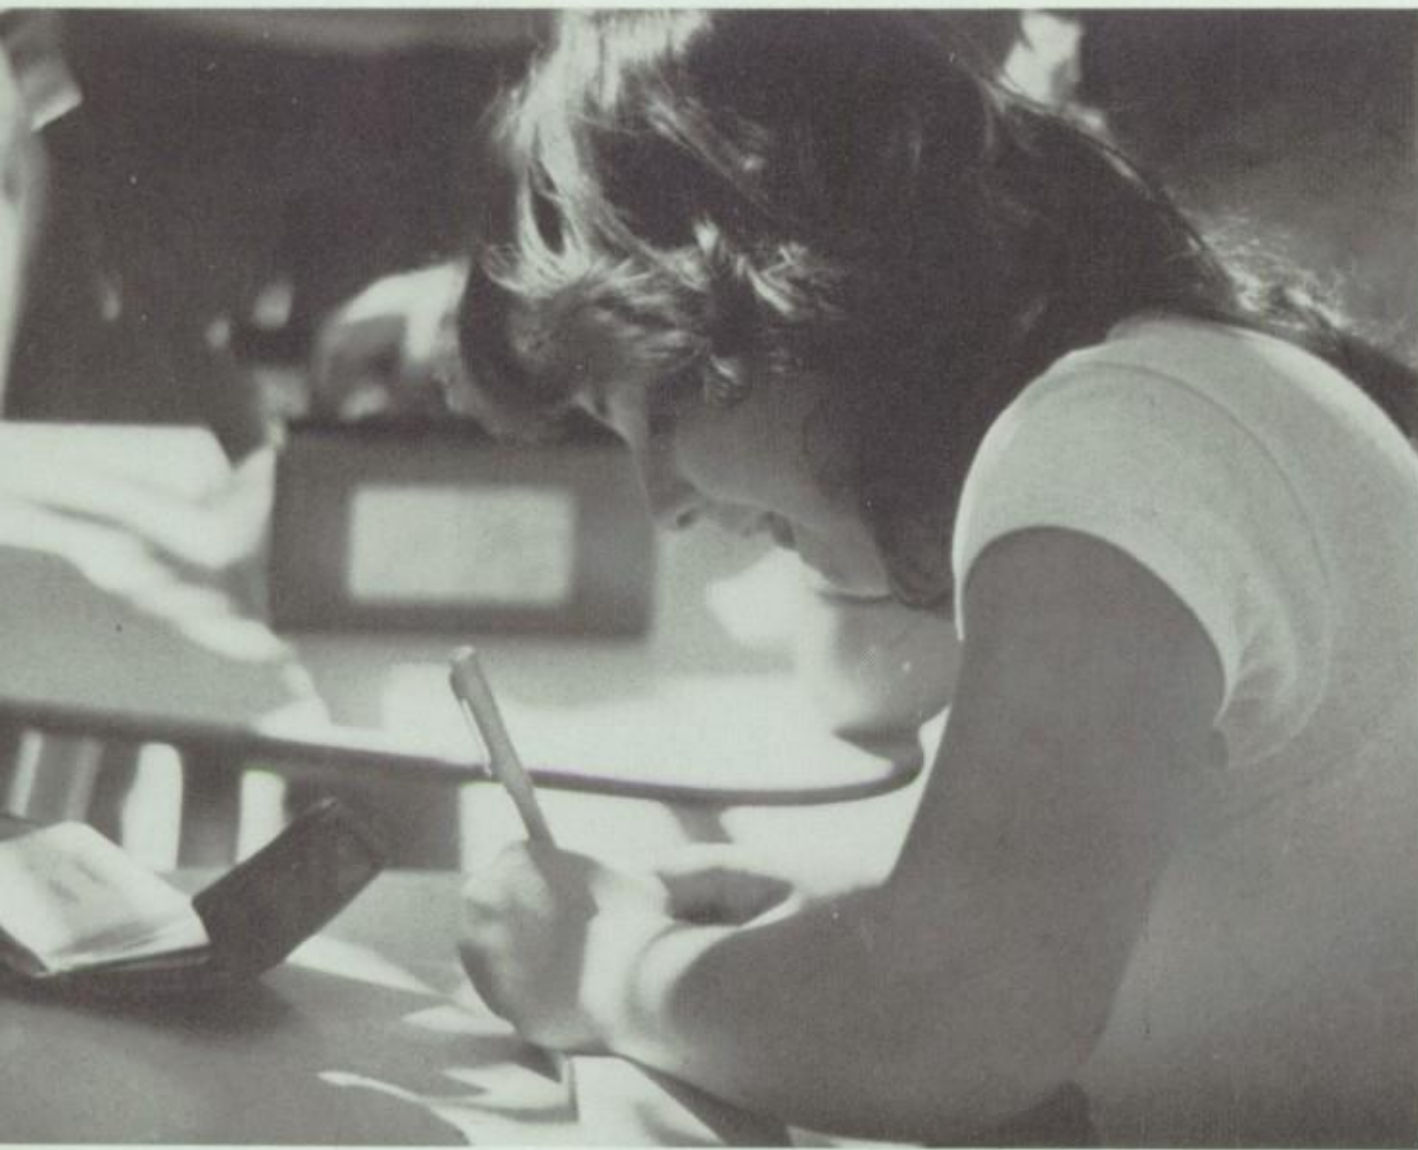

As they ride off into the sunset, you may ask, "Who were those masked staff members?"

HANDICAP OPPORTUNITIES SUPPORT TEAM

The H.O.S.T. club is one of the new organizations on campus and one of the most helpful. Students who belong to the H.O.S.T. club are students who are interested in working with handicapped children and adults, and have a desire to be involved in providing activities and programs for the handicapped.

This year's H.O.S.T. club, led by President Karen Bloecker, had an abundant amount of success during Handicap Awareness Week, in which they worked very hard in making students develop an awareness and understanding of the handicapped.

Other activities the H.O.S.T. Club members took part in this year were training athletes for the Special Olympics Competition, coaching Special Olympic Teams, and hosting for invitational volleyball and basketball tournaments for Special Olympics Teams.

FRENCH CLUB

Parlez vous Francais?" inquires Phil Sins, President of the French Club.

The French Club is one of the new organizations on campus. Its purpose is to promote an understanding of the French language and culture in interested students.

Since the French Club's purpose is to promote the French culture, the new group decided to do just that.

During the year the French Club held a French Dinner in which all sorts of French dishes were served.

When the French Club decided it was time to spend their hard earned money, they had the perfect way to spend it. They went to a French restaurant in Palm Springs and treated themselves to a French meal.

MODEL UNITED NATIONS

The Model United Nations (MUN) Club got off to a slow start this year, but under the direction of the Central Committee and the advisor, Lois Cheraz, activities soon picked up speed. They raised all the money that was necessary for them to go to the three day Model United Nations session in Riverside. Although most of the delegates were new to the program, they learned quickly, and even went to the Sizzler.

Photo/Journalism is a club on campus that helps students develop their abilities to write about and photograph different subjects.

This year's Photo/Journalism Club was involved in publishing the "Wit's End Literary Magazine" which is written by students from T.P.H.S. and T.P.J.H.S. During the year the Photo/Journalism members sponsored a writing contest, and the winners' stories went into the magazine. The winners this year also received a fifteen dollar cash prize for each first place story he or she wrote. The awards were presented at the "Wits End Banquet" held near the end of the year.

The "Wit's End Literary Magazine" was a good chance to earn some experience for the club members, but the club members had another assignment that gave them more experience. Each club member was given a photo assignment in which he or she was to take a picture of a subject and write a story about it. Not only did this give the members a chance to improve their writing and photography skills, but the students were taught to develop their own film. Everybody thought it was a terrific experience.

Future Business Leaders of America (F.B.L.A.) is a member of a national association for business students which includes both high school and college chapters with state and national officers. Its purposes are to develop a love of country, involvement in community and school affairs, and understanding of our economic system and leadership in business.

The F.B.L.A. 1981-82 President, Lisa Dautermann, led the F.B.L.A. members in many activities. The club, during the year, had participated in a fall conference where the duties of the officers were explained, a fashion show of business attire was presented, and an ice cream social was enjoyed. The club also collected canned goods for the Community Pantry at the Methodist Church.

F.B.L.A. visited the General Telephone office in Yucca Valley at the end of January. In February the club sponsored a competition with Yucca Valley in business skills. In March there was a Southern Section competition in the Anaheim area with a trip to Knott's Berry Farm that the F.B.L.A. members attended.

LETTERMEN'S CLUB

This year's Lettermen's Club led by President Andy Willis lived up to its purpose of promoting and helping athletics on campus by sponsoring all types of athletic activities.

During the Basketball Season, the members of the club helped guard the gym doors to help the games run smoothly.

Late during the year, the Lettermen's Club sponsored a track meet at Twenty-nine Palms Junior High School, and along with the track meet was a picnic.

At the end of the year the Lettermen's Club bought trophies for all the T.P.H.S. exceptional athletes on all the different teams.

ROADRUNNER STAFF

Armed with page plans, notebooks, press passes, and a nose for news, the 1981-82 Roadrunner Staff dug up news items for each monthly edition of the T.P.H.S. Roadrunner all year long.

Making a School newspaper is no easy job, but with the supervision of the Editor Bonnie Graback, the help of the Assistant Editor, Lisa Munro, and the ever-lasting support of the Staff Advisor, Betty Coxson, the staff did an excellent job of turning out the monthly paper.

This year keeping some activities alive was hard work because of the school budget cuts, and the Roadrunner paper was no exception. In order to keep the Roadrunner in the black, the staff had to find a way to earn money, so a Highway Trash Pick-Up Plan was formed. The Roadrunner Staff, the Journalism I students, and the Cadets teamed up together to clean up the highways of Twenty-nine Palms. These students earned a large amount of money from the county, recycling aluminum cans, and pledges from people in town. The highway's appearances were bettered, and the Roadrunner Staff was able to turn out newspapers they could be proud of all year long.

True to form, members of the 1981-82 T.P.H.S. Speech Team proved to be competitive with the best in the state. They had a successful year bringing back trophies from all over California. They experienced the "thrill of victory", and at times, the "agony of defeat". But, guided by the motto, "Winning isn't everthing; it's the only thing", they made it a successful year. And most of all, they had fun! So sit back, relax, let your mind wander to one of their most unforgettable trips.

It started out innocently enough at 3:00 a.m. in the T.P.H.S. parking lot. (This is suffering!) As they loaded themselves into their trusty vehicle, speeches in hand, their faithful coach leaped into the van, put it in reverse, but nothing happened. Mr. Miller then eloquently asked, "Did it stall?"

Finally reaching their destination three hours later, they walked into their motel to check in, only to be greeted by a bewildered clerk who gave them the strangest look. They asked, "Do we offend you? Good!" To which he replied, "If I knew you were coming, I'd have baked a cake!"

Well, the tournament was interesting, but the judges in the final rounds just couldn't take them seriously; "The butchers!" They had pleaded and prayed, "Please God we're only 17!" When they found out someone else had won 1st place, they packed their bags and made the familiar long journey back to the real speech capital of the world, "29".

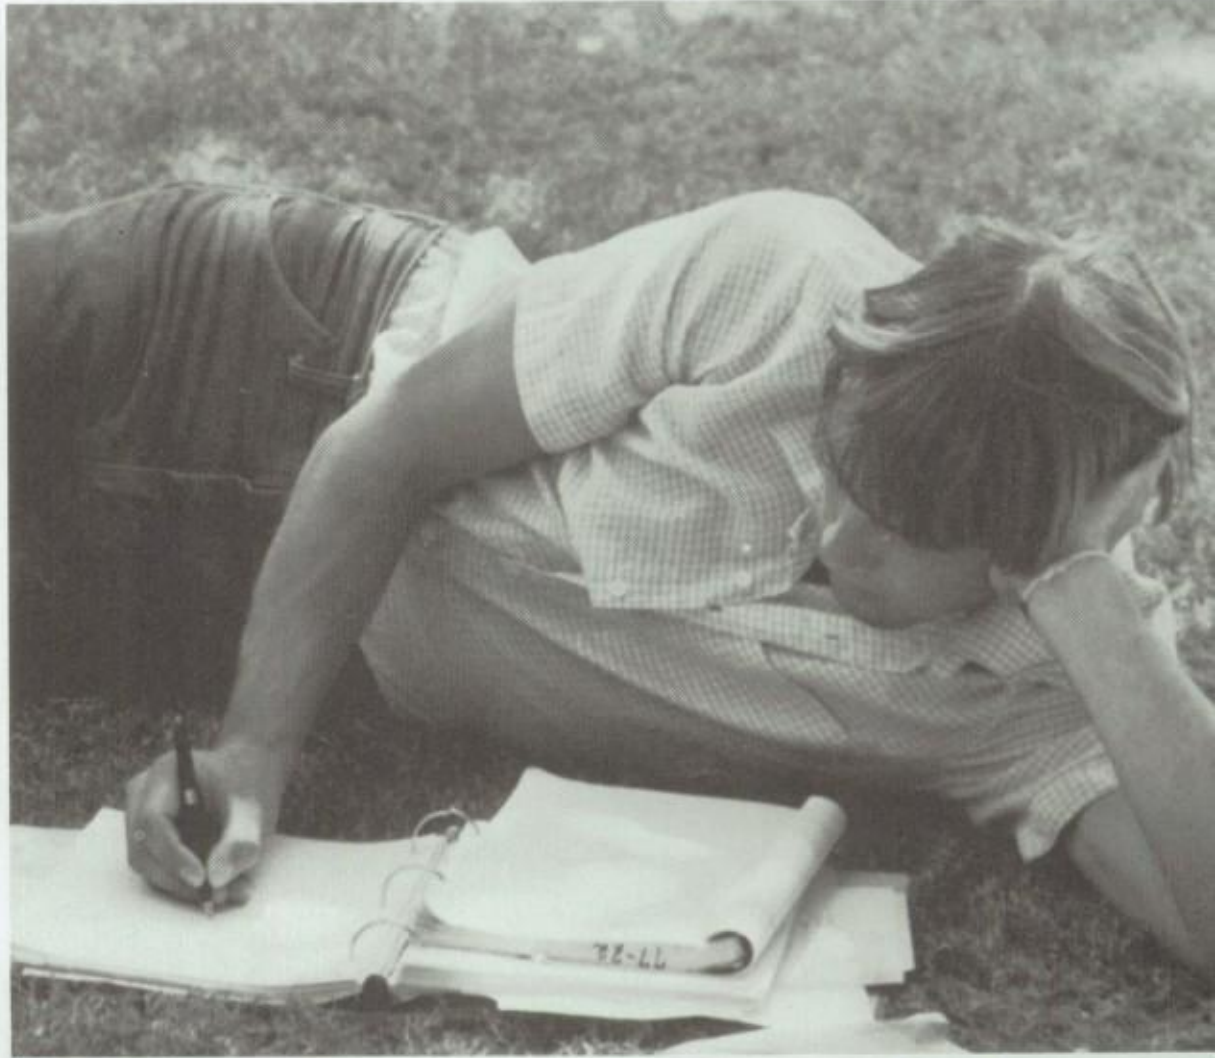

AMERICAN FIELD SERVICE

The American Field Service (A.F.S.) is the club on campus that brings cultures from other countries to the T.P.H.S. campus. A.F.S. does this by hosting foreign students from six months to a year.

This year A.F.S. hosted three foreign students; Juan Gonzalez from Spain, Luc Masson from Belgium, and Jeff Maupas from France. T.P.H.S. students benefited greatly from these foreign students because it gave them the chance to learn about the lifestyles of students from other countries. The foreign students also benefited greatly from their stay in Twenty-nine Palms because they had the chance to learn about the American lifestyle.

Besides hosting foreign students, A.F.S. planned and hosted a Christmas Dinner in which many people attended and ate many varieties of foods.

A.F.S. also hosted a Sock Hop in February; but this was not the usual Sock Hop held at T.P.H.S. It had a different twist. It was called the "Best Friends' Dance." In this dance, a person's best friend would find a date for him or her. The catch was . . . you didn't know who your date was until you were at the dance! It was a great success, just as A.F.S.'s year was a great success.

PEP SQUAD

Doreen Dandridge (Otherwise known as Willie the Wildcat).

Spirit! That was the key word for the 1981-82 Pep Squad, and spirit was exactly what the Pep Squad delivered.

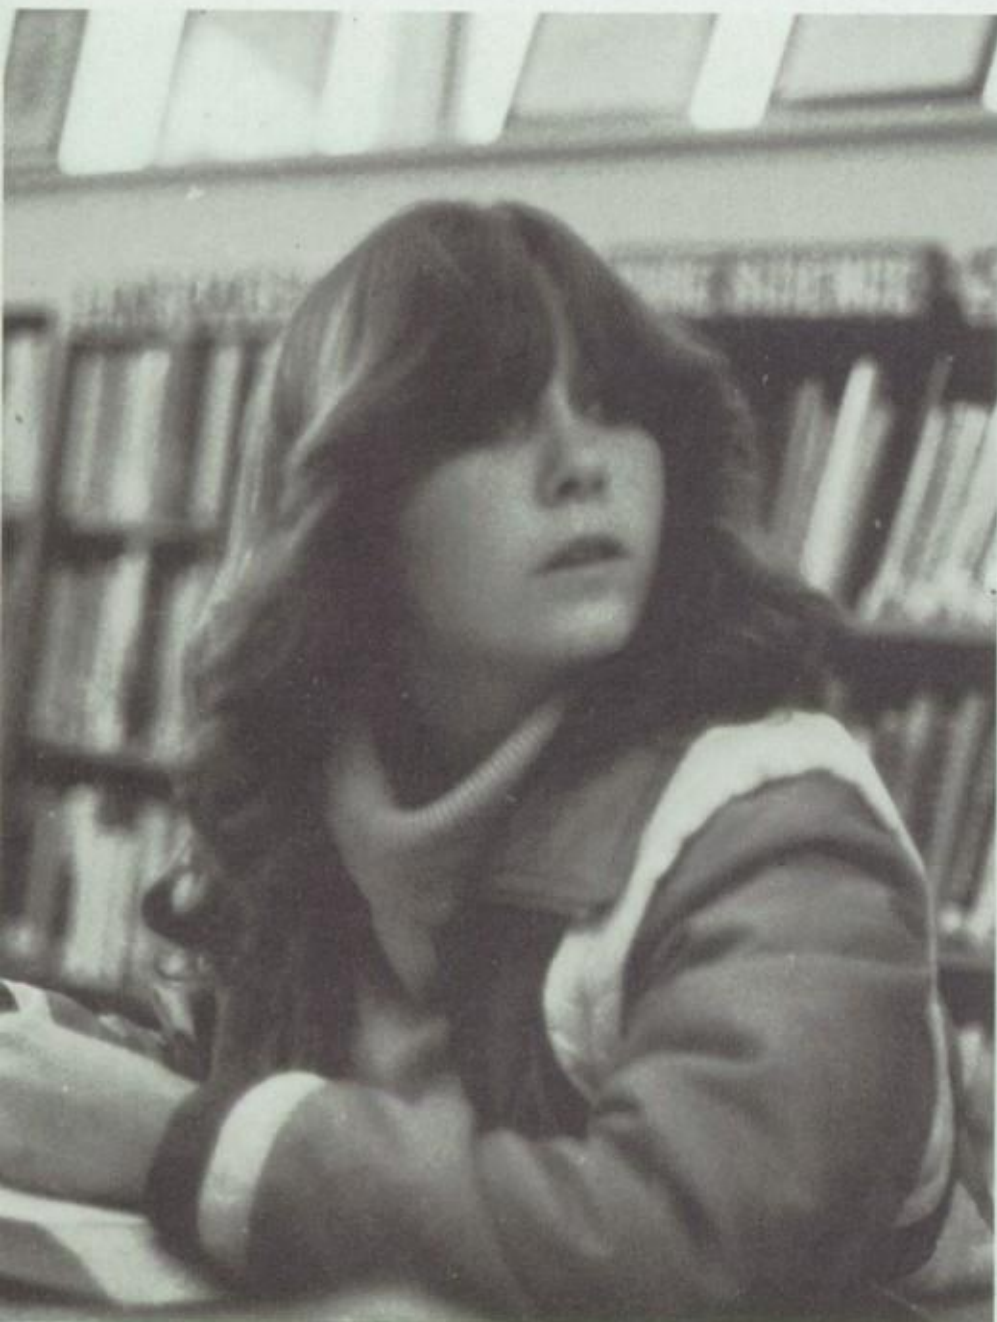

This team of high spirited girls cheered our sports players to victory all year long, at every home and away game. They took T.P.H.S. spirit with them everywhere, and showed other schools in California what T.P.H.S. is . . . Spirit!

The Pep Squad, led by Co-Captains Doreen Dandridge and Deanna Snyder, didn't spend all their time cheering. While they were at home on campus, they were busy planning pep assemblies that instilled a great deal of cheerful spirit and pep in all the students.

While doing all these peppy things, the Pep Squad still found time to organize a few Spirit Weeks, in which there were activities like Balloon Squashes, Wheel Barrow Races, Eating Contests, and of course, Dress-Up Days. Everyone enjoyed the Spirit Weeks, and the Pep Squad added the extra touch of spirit that made the Spirit Weeks as fun as they were.

KEY CLUB

As Always, the Key Club (a community service club) has been dedicated to helping the community, and this year's Key Club was no exception.

Genia Zimmerman, the Key Club President, led the club members in all sorts of activities. During the year, the Key Club ran a concession stand and a dance that everybody enjoyed.

The Key Club also sold peanut candy in Twenty-nine Palms and helped the Kiwanis with a pancake breakfast on January 29.

As an end to their busy year, the Key Club attended a Key Club Convention in San Diego in which awards were presented for all of the activities and achievements they completed this year.

STUDENT LIFE

CATS SPIRIT STRIKES AGAIN

Throughout specific days of the year, students at TPHS shed their true identity and become the well-known WILDCATS! A phenomenal transaction takes place as each person passes through the gymnasium doors prepared to cheer their team on to victory. Instantly, the gym is filled with yelling and screaming as the different classes compete to see which class is the loudest.

The Pep Squad is always prepared with a new skit for entertainment. It takes much imagination and patience to perform these skits. A special thank-you is extended to the Pep Squad on a job well done this year.

THE CRAZE

Have you ever noticed the new styles that appear every year on T.P.H.S. campus? It's true! Each year there seems to be a new style of clothing, shoes, hair, etc.

People are always looking for some kind of change. Whether it be in appearance or personality.

Take hair styles for example. The braid has taken on a unique style. All the hair is braided into one braid. It starts at the front of the head on each side and continues to the back for one long braid.

Another thing that's "in" is the "perm" for guys and gals. People are trying for the curly look. If a person's hair is flat or straight, he/she usually gets a perm to give it more fullness.

Clothes are another type of fashion. Frilly tops, knickers, ties and jackets. Everyone likes to find which type fit their personality.

How about shoes? Did you ever take the time to notice the different styles of shoes? There are shoes with thick heels, thin heels, pointed toes, square toes. Shoes that cover the toes and heels only; fancy tennis shoes and dressy cowboy boots.

There are just so many styles to choose from, it's hard to pick the one you like. Which style is yours?

FUN FOR ALL!

During Homecoming week everything was higgeldypiggeldy. People were running here and there to participate in all the activities.

Monday the Freshman class dressed up as circus clowns while everyone else wore their clothes backwards. The noontime activity was Red Light, Green Light.

Tuesday the Sophomores dressed up in their P.J.'s and the others brought stuffed animals. The festivity during lunch was Red Rover.

Thursday the Juniors dressed up as Cowboys and Indians and everyone else wore stripes! The Obstacle Course made up the excitement.

Friday the Seniors dressed up as 50's with everyone else wearing green. Musical Charis captured the attention of everyone there.

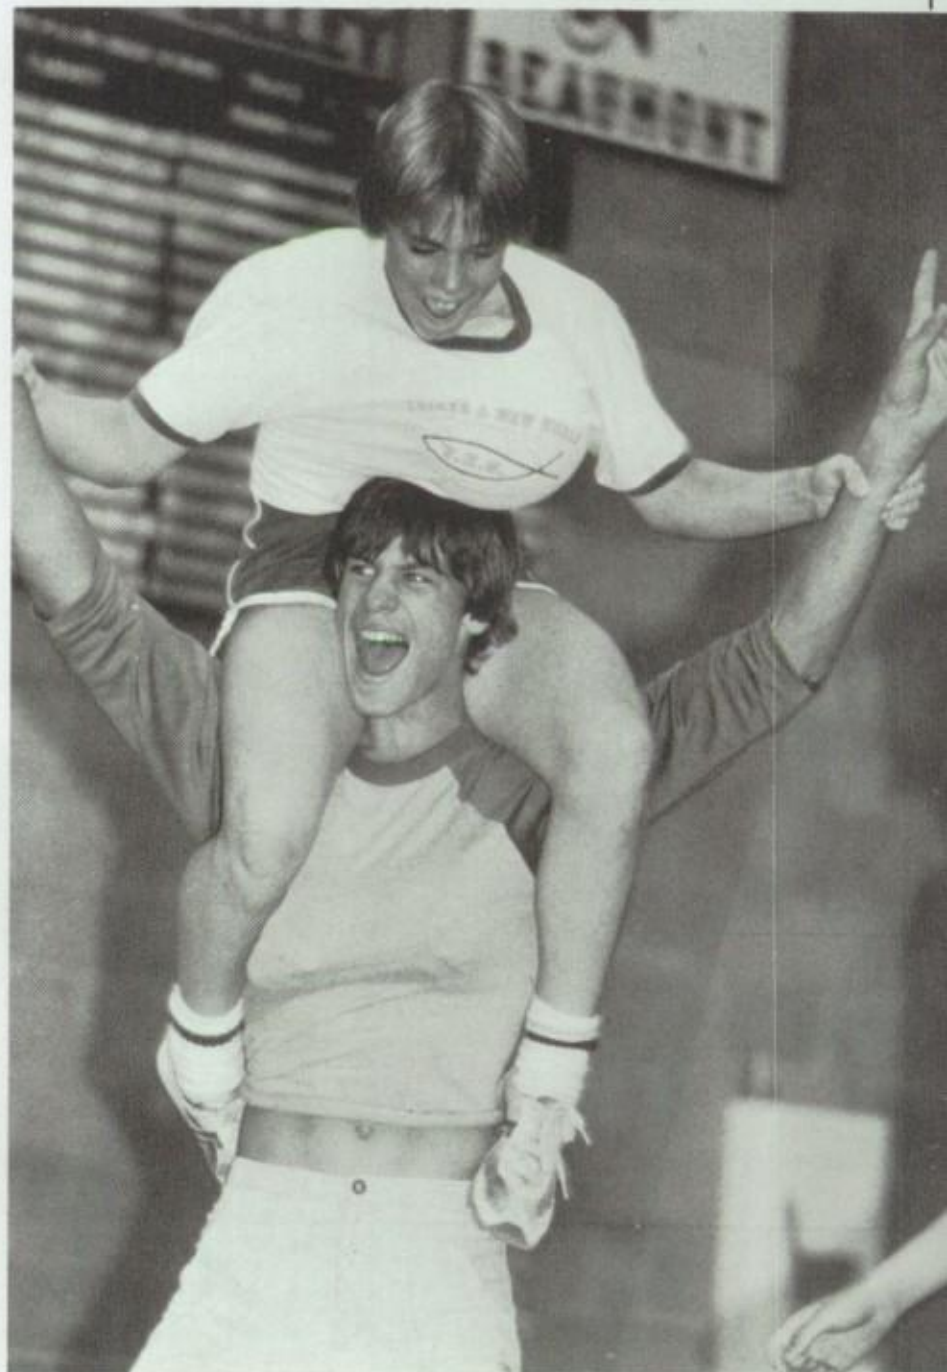

During the Pep Assembly at the end of the day, the winners of Spirit Week (Sophomores) and class competition (Juniors) were announced. All in all, Homecoming was a tremendous success.

SPECIAL MOMENTS

The day is Saturday, November 14, 1981. The time is 8:00 p.m. The place is Hayes Auditorium. Students are filling into the auditorium with the glowing excitement of Homecoming.

The Homecoming dance is a time when the students at T.P.H.S. and the Alumni get together and reminisce and have a great time. Each year at Homecoming a new queen is announced and crowned by the last year's queen. The queen for this year is Miss Hannah Boulden. Monique Marcoux and Tracy Dimmick carry the title of Senior princesses. Pam Enos is Junior princess, Keli Wessberg is Sophomore princess, and Meghan Colville is Freshman princess.

The band, City Lights, captivated its audience by playing a great variety of music from the Cars and Pink Floyd to Cheap Trick.

The Sophomore class sponsored the dance and did an excellent job of decorating and serving refreshments. A special congratulations to the Homecoming queen, princesses, and to the Sophomore class.

IT'S LADIES' NIGHT!

"Hey all you men chasers! Now's your chance to pick the man of your dreams and take him out to dinner and dancing."

Yes, once again it's that time of year, folks, when the girls take the guys out. The one and only Sadie Hawkins dance where the girls are in charge.

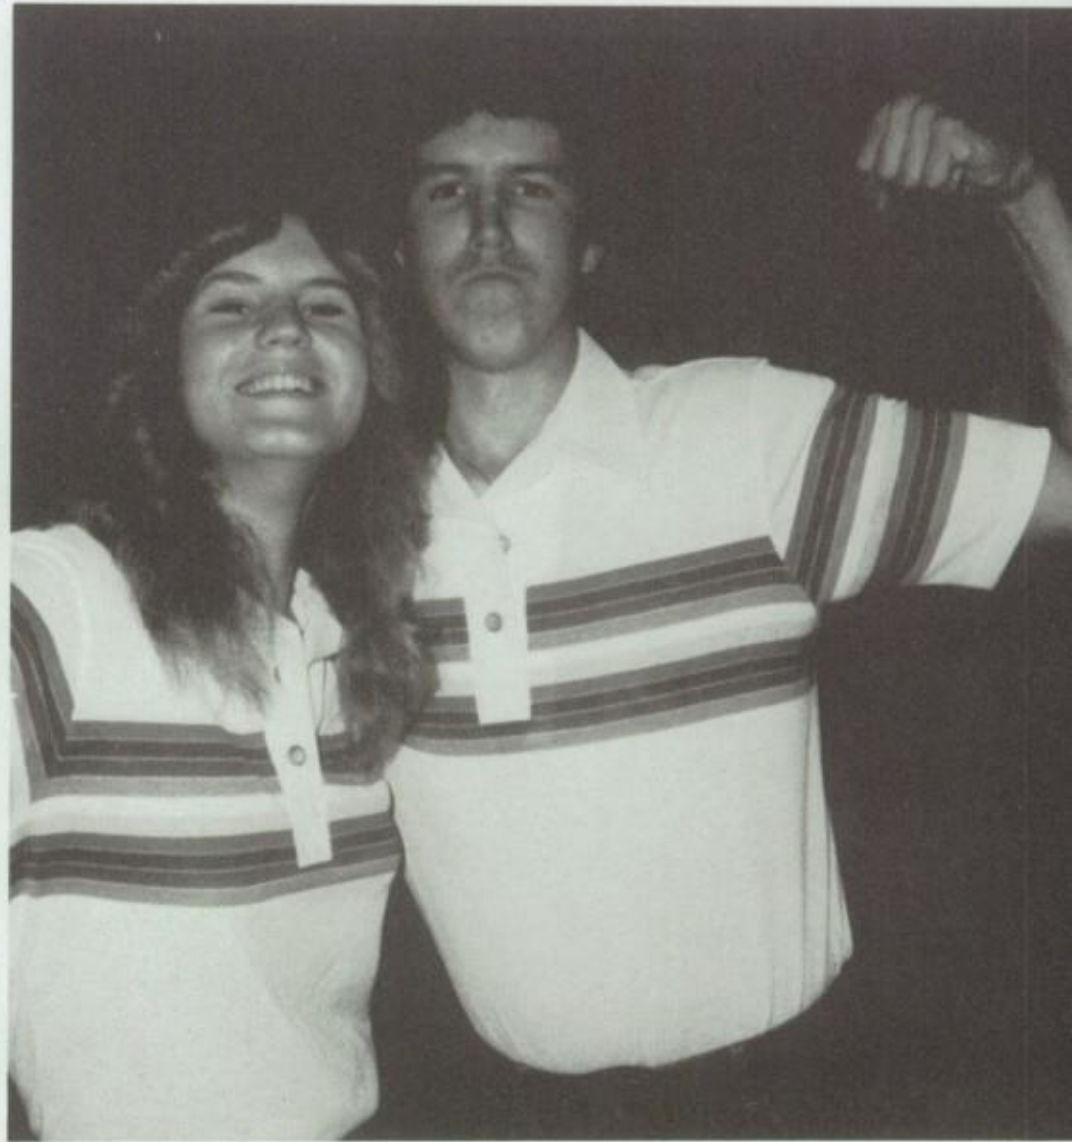

Each year the students of TPHS gather together in the Multipurpose room and display their dancing techniques. The D.J., Scott Ferrer of Gold Disc Productions, played such a variety of music that the dance floor was never without dancers. "Dance Fever" pervaded throughout the evening.

The dance is sponsored by the Senior class. Refreshments are served free of charge.

From 7:30-11:00 the music and the dancing never stopped. Hannah Bouldin stated, "It's a bale of fun!"

PRESENT MILESTONES

It seems there are many events happening in the world that are also happening on school grounds. Most people don't realize it, but there have been many things affecting TPHS campus as well as the world around us.

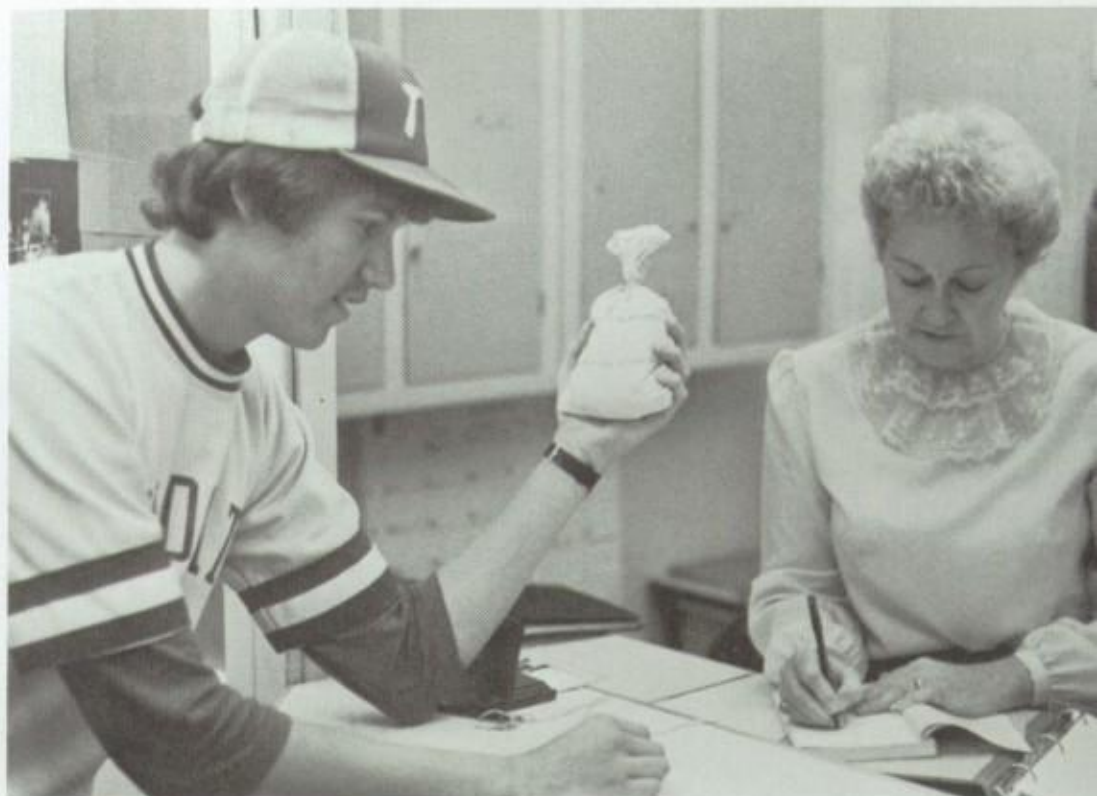

For instance, drugs. Marijuana, LSD, Cocaine, and all the other drugs being passed around. It has gotten so bad on school grounds that the government has had to pass laws to punish those that are found with it in their possession. If a person under the age of 18 is found with it he/she will be punished with confinement in juvenile hall. If he/she is older than 18 they will be fined \$500 and/or six months in jail.

Another event affecting our campus is the draft. There are many guys on campus who turn 18 during the course of the year and are required to register for the draft. President Reagan has claimed that anyone failing to register is liable to pay a \$5000 fine and up to 5 years in prison. There have been many people protesting against the draft. Some think it's unnecessary, and others feel it will help our country. Everyone is entitled to their own opinion, but, like it or not, those men turning 18 *must* register.

Drunk driving is something else happening. There have been new drunk driving laws passed. Such as; your first offense — you are required to: attend 20 meetings of Alcoholics Anonymous, pay a \$500 fine, and attend driving school.

What about High School sports? Before the school year started it was decided that anyone who participated in a school sport would have to pay a fee of \$15. This fee is to help pay for transportation to games. It also helps pay for new uniforms and equipment. Without this fee there would be no sports played at high school.

None of these things are very good, but they have to be enforced in order to preserve our world.

Stiffer penalties for use on school grounds

Bill re-introduced on marijuana

Senator Robert Presley (D-Riverside) re-introduced his bill Jan. 15, to increase the penalties for adults or school children who bring marijuana onto a school campus, making the penalties similar to those for alcohol.

The bill makes it a misdemeanor, punishable in the case of adults by a fine not to exceed \$500, by six months in jail or both, to bring marijuana onto an elementary, junior high or high school grounds.

For a person under 18,

the penalty could include confinement at a juvenile institution for not more than ten days.

"Marijuana would seem to be at least as serious a problem on school campuses as far as interference with the educational process," explained Presley, former Under-sheriff of Riverside County. "It's time the schools took it as seriously."

This will be the third time he has introduced the bill. In the past it has been supported by law enforcement groups in-

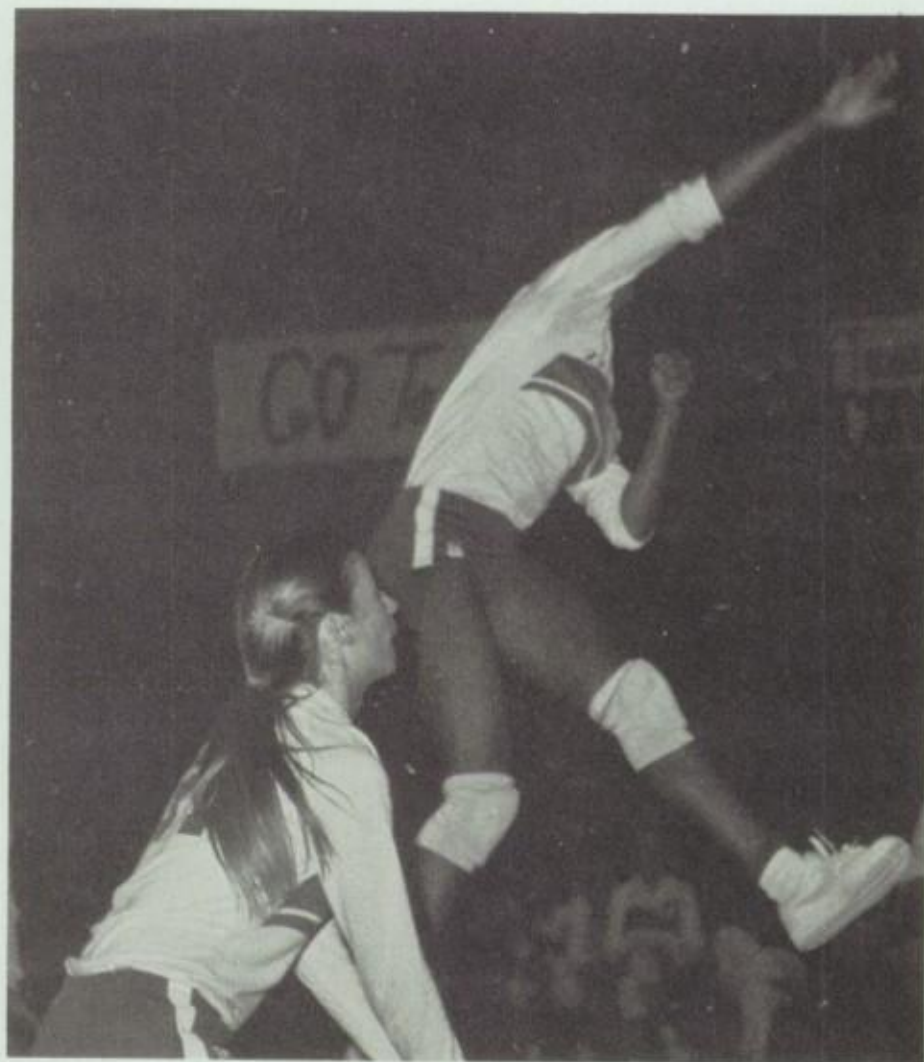

cluding the California District Attorneys Assn., State Sheriffs Assn., Attorney General, California Teachers Association but opposed by the ACLU, California Federation of Teachers, State PTA.

Current law provides for \$100 fine and imprisonment for adults but not confinement in a juvenile institution for students for marijuana possession on school grounds, Presley

explained. Selling marijuana on a school site is already the subject of stiffer penalties under the law.

Presley previously introduced the bill in 1978 and in 1979.

GAMES PEOPLE PLAY

SENIOR CATS BETTER THAN EVER

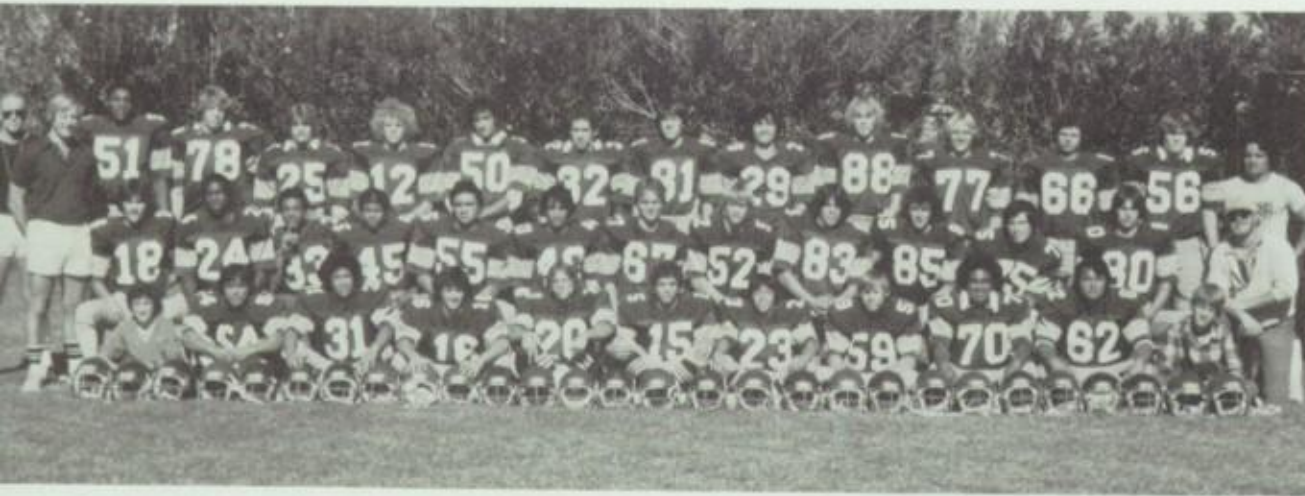

De Anza league champions are Twentynine Palms High School. The awesome power of the varsity Wildcats have proven themselves worthy of this title by remaining undefeated in league and with only one loss in pre-season.

At the beginning of the year the Wildcats were said to be a fairly young team, but they have proved that even a so-called young team can prevail. Defense played an important part this year because they held their opponent to no more than two touchdowns leaving the scoring up to the powerhouse offense.

The famous Twentynine Palms Yucca Valley rivalry went very well for the Wildcats, for they had a crushing 21-6 victory over the Trojans.

The town and school of Twentynine Palms can reflect on a Champion team that is not as far back as the '75-'76 Wildcats.

PURE PERFECTION

... 26-0 ... 28-0 ... 24-0.

That was the type of year the Junior Varsity had, only points scored against them, which for any team is not bad.

The Wildcats had tremendous amount of talent which made their opponents have trouble even beating their second string. The J.V. coach, Mr. Beard, said that he is very pleased with the team's record.

The Wildcat defense had ability on the line, and in the backfield. The defense always put the Wildcats in good field position, which enabled the superb playing ability of their Wildcat offense to eventually score.

The rivalry between the Wildcats and the Trojans became apparent when the Wildcats took a commanding 21 lead in the first half of play then came back in the second half and dominated the game while scoring three more times making the final score 42-0.

KITTENS CROWNED CHAMPS

The volleyball team has exceptional agility, speed, quickness, and overall athletic ability. When one takes the above mentioned attributes and puts them to hard use, one will become a successful athlete. However, when one relies merely upon their physical skill, without dedication to a cause, one will never achieve a status greater than mediocrity.

Although they did win, and win consistently, it is the group that functioned as a team, interested in only in the success of the team when adversity, (in the form of Rim of the World) knocks on their door. Job well done, Kittens!

Most Valuable Player this year is Brenda Croonenberghs. 1st Team: Missy Bond, Carol Schultz, and Benita Bogen. 2nd team: Denise Mitchell, and Jill Larkey

TALENT FOR THE FUTURE

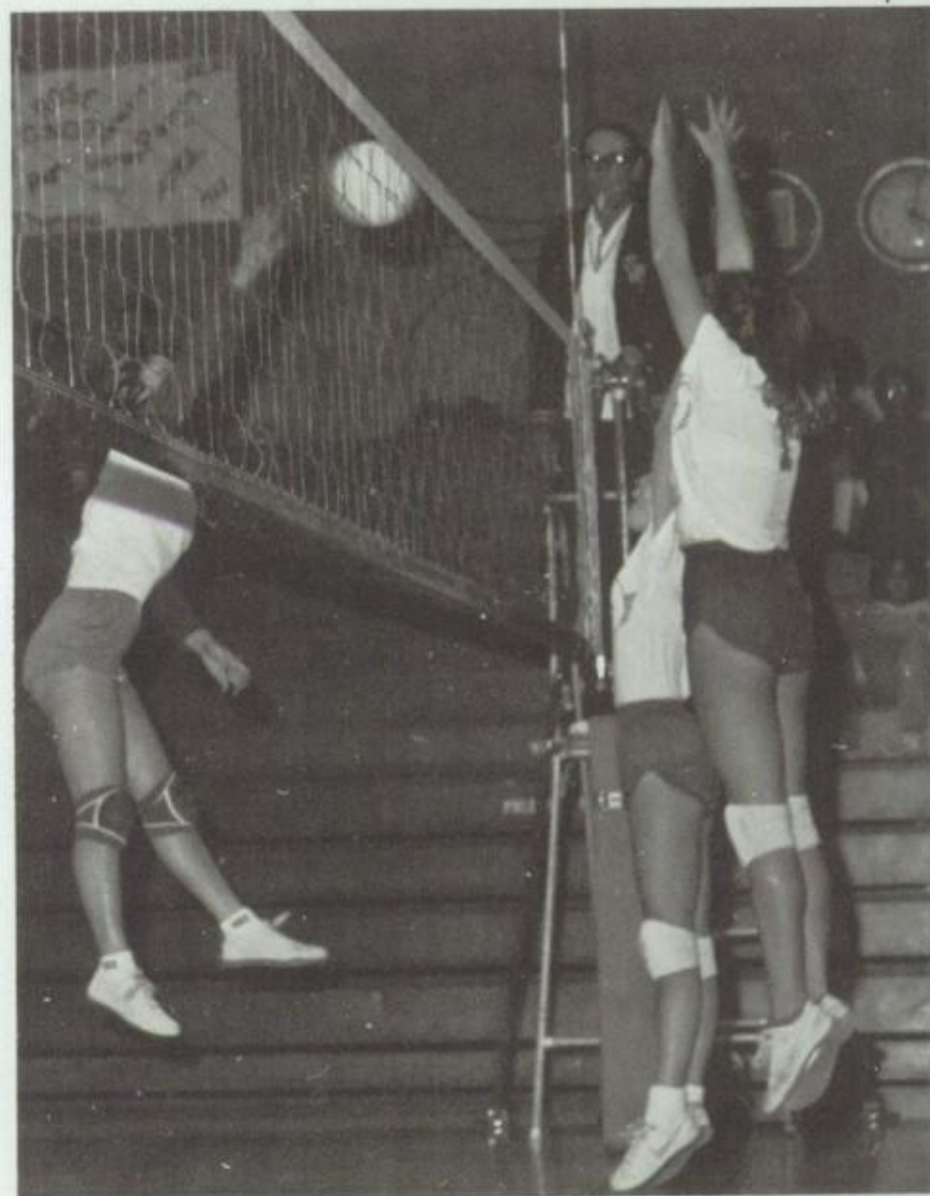

It is always a learning process when one competes on the Frosh-Soph level. Although it is nice to say that we won the league, the true value of Frosh-Soph athletics lies in the fact of knowledge gained, skills learned, and team participation on the court. This year's Frosh-Soph volleyball team under the guidance of Coach Howe had the good opportunity to experience the above mentioned attributes. If nothing else, the pure competition in a learning situation is the most valuable experience a young athlete can have.

GLIDING ACROSS ENDLESS SANDS OF TWENTYNINE PALMS

Gliding across endless sands of Twentynine Palms. That's how the Varsity Harriers felt while competing in their dual meets and invitationals.

The mighty team was led by Art Dinnel who was a three year returning letterman. The team had a slow start at the beginning but after the first week, the Harriers got back into the swing of things. Coach Kevin Slotta said that his Varsity team was young but had much experience and would go far this year.

Varsity Harriers had a 3.3 record in dual meets and had a first place at the Mt. San Jacinto Invitational, which put them on a roll going into the preliminaries, and finally allowed them to reach the finals where they ended their season. Job well done!

"KEEP ON TRUCKIN' . . ."

Although running, especially distance running, is thought to be an individual sport, it is really the team effort that pays off.

This year's Girls' Cross Country Team exemplifies the team effort. Having only a few outstanding runners they pulled together and almost captured the league title. The team members should be congratulated for their outstanding effort, determination, and the pure guts that it requires to run, without the benefit of recognition or group support.

YOUNG HARRIERS FOLLOW IN THE TRACKS

Throughout the past years the young Junior Varsity and Frosh-Soph cross country teams have proven their ability to compete at the high school level time and time again. The young Harriers followed in the tracks of the Varsity team.

Coach Kevin Slotta commented on how well they did in their meets and that they have a special style to running that has only been seen in other Junior Varsity and Frosh-Soph teams.

The Frosh-Soph team finished 2-2 in dual meets and had two second places, a third and sixth place, they finished first in the league over all. The mighty power of the Junior Varsity also finished first in their league with a 3-2 record in dual meets and a first place and tenth place in invitationals. Over all, the Harriers had a great season.

TENNIS SERVES TWO

This year's girls' tennis team ended its' season in 3rd place, with a 7 win, 9 loss, 1 tie record. In the De Anza League 6 of the 9 players from 29 Palms placed in the All League Team. In the De Anza League Finals, Amy Parker and Doreen Dandridge placed first. Even though there will be many seniors leaving next year, there are remaining participants to carry on their great success. We are very proud of the winning effort of our tennis team. Most valuable player this year is Doreen Dandridge

THE UNDEFEATED SEASON

The superb playing ability of the Twenty-nine Palms Varsity Wildcat Basketball team was definitely noticed by everyone including their devastated opponents.

The Wildcats, led by Andy Colville's average of 21 points a game, the Wildcats had a great season while they swept through their schedule.

Coach Bob Tate was very pleased with his team and the pleasure has been well earned. At the beginning of the season, Coach Tate said that this year's team will be one of the best teams to coach.

Although the Wildcat team was not known to be an aggressive team, they were known to be quick and smart. The quickness and cunning put them way ahead of the DeAnza League competition.

The Wildcats also pleased the student body with a final win over the rival Yucca Valley. The final score was 66 to 49.

JUNIOR VARSITY POWER!

The Junior Varsity Basketball team followed in the footsteps of the Varsity team as they swept past their opponents.

The team attributes much of their success to their coach, Mr. Massey.

Led by Terry Butler, averaging 8 points a game, the team intimidated their adversaries with experience and skill.

This year's team had depth in each position rarely found in a J.V. team. Each member of the team truly helped make this a winning season.

GIRLS' VARSITY BASKETBALL DOMINATES DeANZA LEAGUE!

This year's Girls' Varsity Basketball team was coached by Peg Craig. With their fancy footwork and their deadly shooting, they dazzled the crowd. The team had much enthusiasm and desire. For the team and the coach, both practice and the games were worthwhile experiences, for they won the DeAnza League for the sixth consecutive year. They also crushed our rivals, Yucca Valley as usual 77-32! Skill and determination guided they Wildcats to victory. Congratulations!

RUNNERS TO YOUR MARKS

Get set for another exciting track season with the Twenty-Nine Palms Varsity track squad. At the first sign of spring these dedicated runners are tearing up the turf, challenging old records and setting new ones for future varsity runners.

A fairly young squad, led by strong returning Seniors Doug Robinson, Art Dinnel, Paul Robbins, and Preston Harmon, is talented and ready for action.

In their first meet against Coachella Valley and Yucca Valley the Cats found many weaknesses but just as many strong points, posting many good times and turning in fine performances.

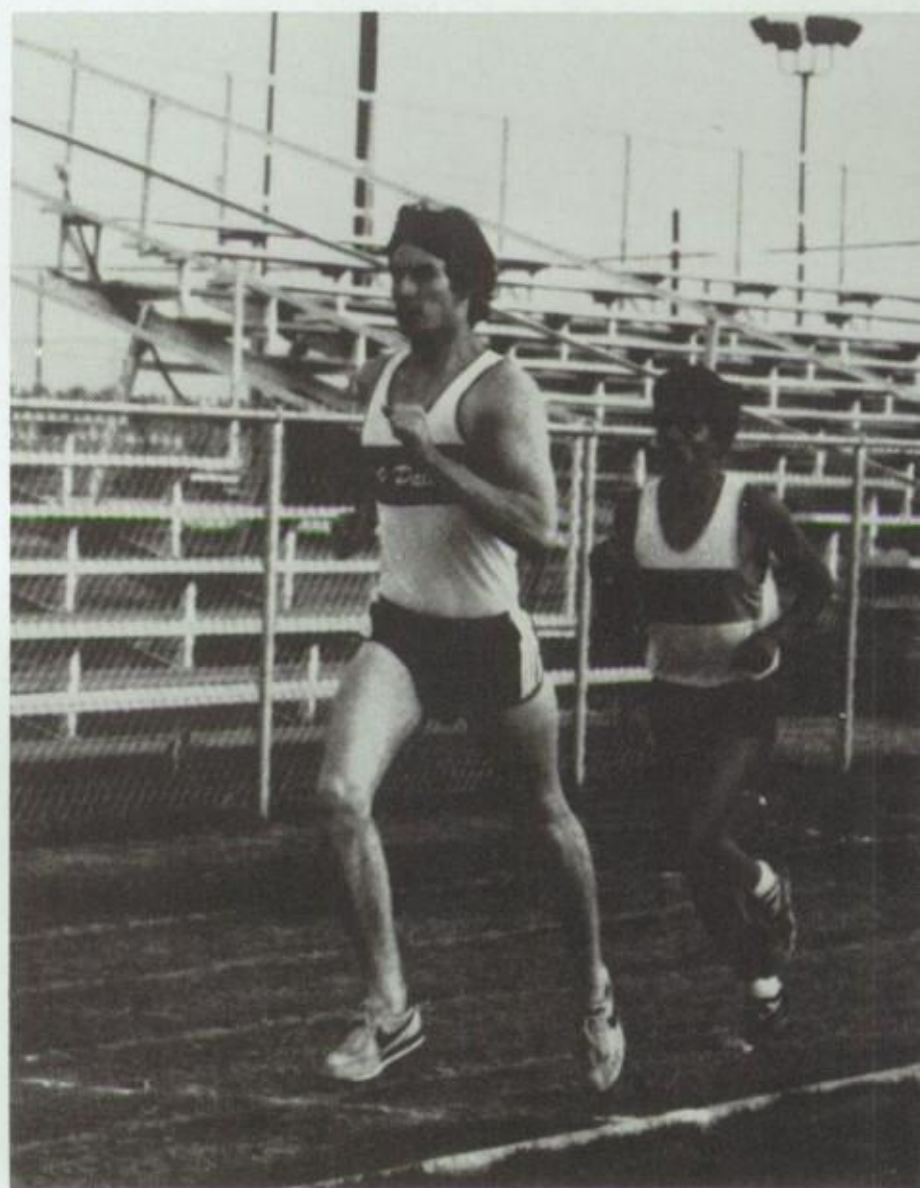

Go Cats and best of luck!

A LEARNING EXPERIENCE

Composed mainly of freshman runners, the Frosh-Soph track team has many participants in every area. Losing many fine performers to varsity but gaining many freshmen the frosh-soph squad has worked very hard on training for their events.

This track season was a valuable learning experience for the young track stars. In their first meet against Coachella Valley and Yucca Valley they lost narrowly to the older more experienced teams.

Talent is a big part of any track team and this team is certainly a galaxy of talent.

PROMISING FUTURE

This years Girls' Track Team had outstanding individual performers, along with excellant depth, which resulted in another exceptional season. Their main strength was in the sprints and distance runs. With many outstanding individual performances, the track team finished as league champs. A key factor which contributed to their success was the excellent coaching received by the girls. The track program is just another indication of the ever increasing excellence of women athletes in 29 Palms High School.

VARSITY BASEBALL STRIKES BACK

Heading into the 1982 baseball season, the Varsity Wildcats started with something less than a bang. Pre-season play this year was tough on the Cats but they plan to do well in League play.

Led by strong returning Seniors Greg Tucker and Frank Gregory all positions have excellent perception and depth.

Veteran coach Pat Massey and Coach Pecorella, in his first year with the Cats, expressed high hopes for their developing team.

TOWERING HOPES FOR J.V. CATS

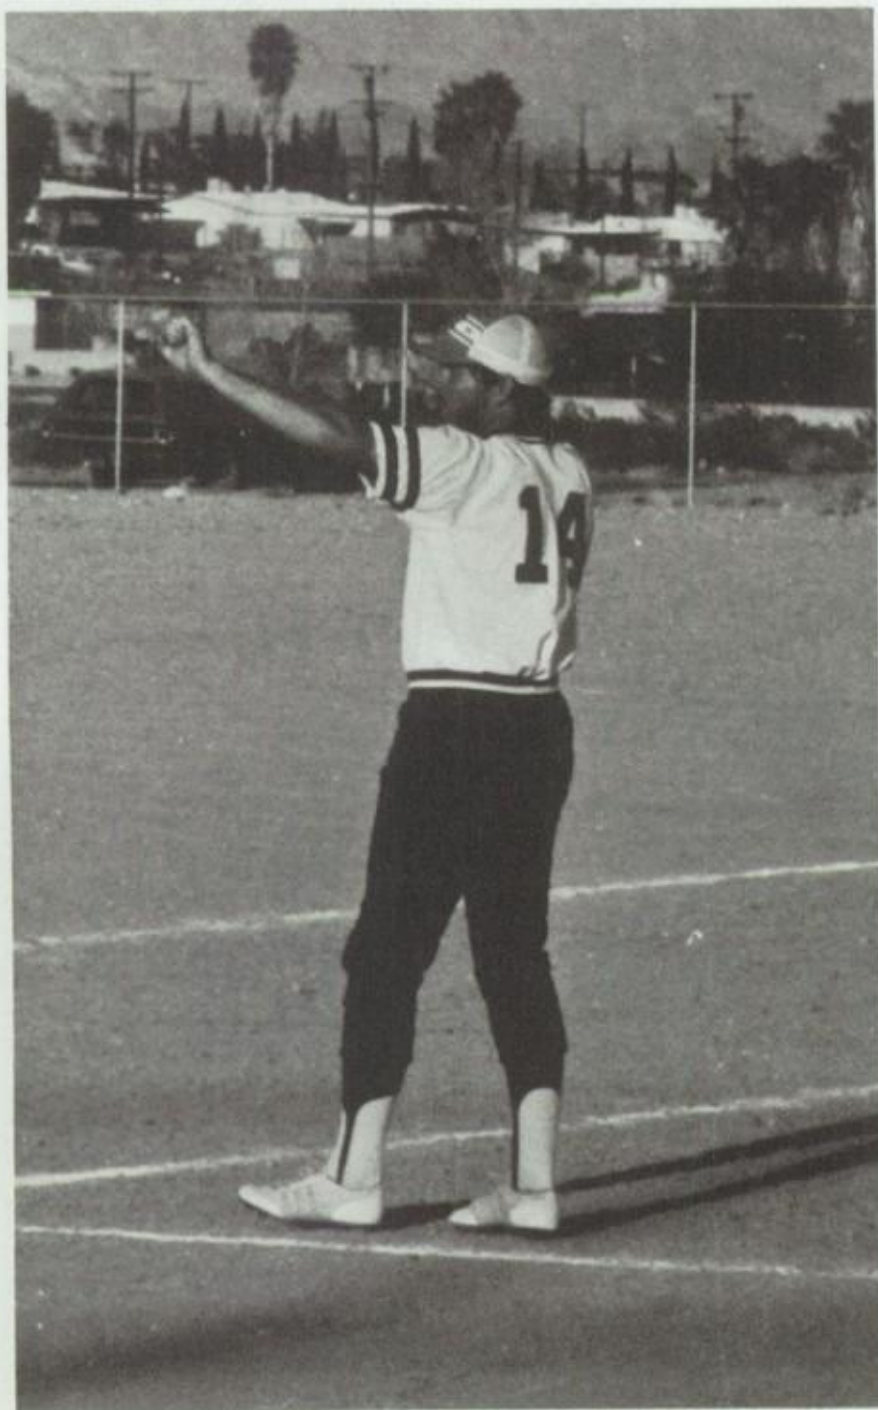

An abundance of future junior varsity baseball players turned out this year at the beginning of baseball season in hopes of making the squad.

Coach Steve Fabian, in his first year of coaching the J.V. Cats, commented on the abundance of excellent ballplayers that came out for the team.

The pitching staff was well stocked with young and enthusiastic players. Coach Fabian expected the team to do well although he didn't expect every game to be perfect.

STATS: IT'S WHERE IT'S AT!

Statisticians! What are statisticians? They're the people who keep records of the games played throughout the year — football, basketball, track, cross country, and baseball. Yes, these are the people who perform a difficult task — keeping track of all the plays made, who makes the play, who assisted with the play, and who makes the errors.

If it weren't for these people, our sports system would be at a standstill. With the help and talent of the stats, our sports are going strong.

A great deal of praise and appreciation should be given to them, for they've done an outstanding job this year. Congratulations all you stat persons!

KITTENS MAKE WILDCAT HISTORY

The 1981-82 El Oasis Staff would like to offer special congratulations to the Girls' Varsity Basketball team who for the first time in school history captured a CIF crown in the small schools division when they defeated the Rio Hondo Kares 63-37. Members of this history making team were: Standing: Junior Monica Knowles, Junior DiDi Dorsett, Senior Brenda Croonenberghs, Coach Peg Craig, Junior Missy Bond, Junior Bonita Bogan, Senior Carol Schultz; Kneeling: Freshman Nicki Cole, Junior Denise Mitchell, Senior Jill Larkey, Junior Cathy Sommers, Sophomore Becky Wildes. Congratulations Kittens we're proud of you!
